What Is 'Balanced Transportation' For Marin?

By BRYCE W. ANDERSON
(First of three articles)

On Sept. 6, the Marin County Transit District is to hire a manager, in the $18,000-$21,000 annual pay range, whose first assignment will be to develop a "balanced transportation system" plan for Marin.

What is a "balanced transportation system"?

The term has been thrown around by county supervisors and their two city associates on the transit district board. Supervisors used it last year in delaying decision on a route for extension of Highway 17, saying this must wait a "balanced transportation" plan. It has been used frequently since then in discussion of such things as county cooperation with the Golden Gate Bridge and Highway District and county underwriting of Marin-San Francisco commute bus service.

Up to now, however, the only balance considered by the Marin County Transit District has been balance between riders of buses and private cars. The district has paid out $66,000 for two studies by experts, both of which recommended that it either (1) buy out the Greyhound Lines' commute service and operate it, (2) subsidize Greyhound's operation, or (3) get its own fleet of buses and set up its own system.

A wider view of balanced transportation is contained in the recent report of the State Division of Bay Toll Crossings on a San Francisco-Marin crossing.

The division, in a two-year study, considered automobiles, buses, trains, and such supplementary means of transport as ferries, hydrofoils, Hovercraft, helicopters and vertical takeoff aircraft. It considered underwater tubes as well as bridges.

All possible systems considered on the study run to fantastically high cost. To finance any of them, the division proposed using Golden Gate Bridge and Highway District funds, the state highway fund, federal grants, special state funds — and a special property tax levy.

One proposal considered was adding a second deck to the Golden Gate Bridge with reserv-

Trading Of Water, Pipeline Proposed On Tomales Bay

Reservoir Less Expensive For 1,500 Acre Subdivision

North Marin County Water District's general manager has suggested the district serve a proposed 1,500-acre subdivision on east Tomales Bay by piping water from another district, even though that plan is more expensive than building a reservoir at the development.

Manager Jerome B. Gilbert today said a study shows laying pipe for water from Nicasion Lake, owned by Marin Municipal Water District, would cost $681,500, while building a reservoir on Millerton Creek would cost $627,000. In either case, the developer would finance the project.

The North Marin district could buy the water from Marin Municipal Water District at cost, or exchange water from its Russian River pipeline, Gilbert said. Delivery cost would be the same either way, he said.

Annual operating costs of the two systems would be so close water rates would be the same in either case, he said. He quoted estimated yearly costs of $85,350 for the reservoir and $88,100 for the pipeline.

QUAKE WORRY

Gilbert recommended the pipeline plan because the reservoir plan has "a number of disadvantages," including earthquake problems, time needed to build a new reservoir and the uncertainty of land acquisition costs at the reservoir.

He said the reservoir would take 550 days to build, 250 more than the pipeline. The delay would be important to a developer starting a project, he said. A decision on which system to use will be made by the developer and the district when development is scheduled.

The pipeline also could serve Point Reyes Station and the lower Tomales Bay area if needed, he said. The area is now served by private water companies.

MAJOR TRACT

The proposed subdivision is planned by Waterfront Land Associates of Los Angeles and Consolidated Financial Corp. of Beverly Hills.

The development proposes 3,516 houses on the acreage northwest of Millerton Point, across the bay from Inverness.

North Marin County Water District would administer the water and sewage systems, which would be built at the developer's expense. Estimated cost of an aerated lagoon sewage treatment system is $461,000, making a total of $1,124,500 for water and sewage.

COST FIGURE

Estimated per-unit costs would be $579 for water and $397 for sewage, according to Gilbert's study.

Sewage costs to users could be cut by a federal grant of up to 50 per cent if treatment system became a regional program serving already-developed areas, Gilbert said.

Water and sewage system costs would be financed by bonds issued by the developer and ultimately paid by those buying the subdivision lots.

Marines Fight Out Of Trap Near Border

SAIGON (UPI)—More than 1,000 U.S. Marines smashed their way out of a North Vietnamese border ambush in fighting so close Leatherneck tanks could not fire and so bitter that one Vietnamese attacked waving an ax, American spokesmen said today.

"All we could see was black smoke from Chicom (Chinese Communist made) grenades," said Marine Cpl. Charles Study, 20, of St. Louis, after his battalion emerged yesterday from the 24-hour battle in the border Demilitarized Zone (DMZ).

The fight on the dusty road in the DMZ left 23 Americans dead and 119 wounded. Marines counted 40 Communist dead. Lt. Col. William Kent, who led his 1,200 to 1,500-man battalion in the battle, said they killed at least 175 to 200 North Vietnamese troops. U.S. strafing pilots killed 10 more after the Marines crossed back into South Vietnam after a 48-hour DMZ sweep.

The American Marine foray into the DMZ in search of mortar and artillery emplacements that had hit Leatherneck posts just south of the zone was generally disappointing. They did not knock out any of the batteries.

In other action, Viet Cong terrorists invaded two villages

Transit Only On Second Deck?

SAN FRANCISCO (UPI)—The proposed second deck of the Golden Gate Bridge should be used only for rapid transit, Assemblyman John L. Burton said today.

"We must find ways to bring the commuter to work while leaving his car at home," the Democratic state senatorial candidate said.

Increased auto traffic from Marin County, he said, will further congest San Francisco's "already overcrowded streets," require more parking lots and intensify air pollution.

Higher Sales, Cigarette, Income Taxes Almost Here

SACRAMENTO (UPI) — Californians today were just hours away from starting to pay for the largest tax increase ever enacted by a state.

At midnight, Gov. Ronald Reagan's $943.3 million tax package goes into effect with the beginning of a new month. The record tax increase is designed to balance the state's all-time high budget of $5.1 billion for the current fiscal year.

Up until the clock reads 12:01 a.m., California residents could make major purchases and stock up on cigarettes to avoid paying the new consumer taxes.

The tax package, passed by the legislature Friday and signed by Reagan Saturday, also increases the tax on incomes, banks and corporations, liquor and inheritances.

The sales tax on all merchandise will jump from 4 to 5 per cent.

The cigarette tax will go from 3 to 7 cents a pack. Tobacco dealers must take inventory on their stock and pay additional tax to the state for cigarettes on hand. The tax will rise again to 10 cents Oct. 1.

State board of equalization charts mailed to merchants Saturday contain the new sales tax. They show that a penny tax will be collected on items costing between 11 and 27 cents, 2 cents on items between 28 and 47 cents, 5 cents on items between 90 cents and $1.09, 10 cents on items between $1.90 and $2.09 and so on.

The income tax was increased a total of $350 million a year through a complex formula which upped the top rate from 7 to 10 per cent and tightened the brackets. A tax credit was substituted for exemptions, a move designed to help low income families.

Figures from the department of finance show the impact of the income tax on a family of four, depending upon its annual income.

At $7,000 a year income, the tax would be $5 less under the new schedule. At $10,000 the tax would be increased $26; at $20,000, it would be up $219; at $40,000, it would be $897 higher; and at $80,000, it would be up $1,935.

However, there would be one consolation. State taxes are deductible from federal income tax returns. So, the net impact of the state tax boost would be reduced by $5 at $10,000 and $1,066 at $80,000.

An adjustment in the brackets and a reduction in the exemption on the inheritance and gift tax will provide $7.8 million in state revenue.

A boost of 1½ percentage points in the bank and corporation tax will yield about $30 million.

Reagan Has Surgery; Said 'Fine'

SANTA MONICA (UPI) — California Gov. Ronald Reagan was reported in "fine" condition today after undergoing a 45-minute operation for the removal of bladder stones.

Reagan was expected to remain at St. John's Hospital here, where he underwent the surgery, until next Sunday.

The governor's personal physician, Dr. John Sharpe, decribed the operation as minor and said Reagan was in excellent physical condition otherwise.

The state's chief executive entered the hospital Friday for what was said to be his annual physical examination. He left briefly yesterday but was readmitted.

The decision to operate at this time was made by Dr. Burton Sharpe, who discovered the bladder obstruction during the check-up and performed the operation.

On Saturday, while in the hospital, Reagan signed the largest state tax bill in the nation's history—$943.3 million.

Milwaukee Shut To Halt Violence

Two Dead In Night Of Fire

MILWAUKEE, Wis. (UPI) — The National Guard was ordered into Milwaukee and the city was shut down tight — its highways sealed and its business closed — today to put down Negro rioting, arson, looting and sniper fire. At least two persons were killed in the city's worst racial outbreak ever.

Mayor Henry P. Maier resorted to the most drastic orders yet issued in a riot-torn northern city during this troubled summer. A 24-hour curfew was in effect. Cars were turned away at the city's outskirts. Business, post offices, factories and grocery stores were shut.

WARNINGS OUT

Air and rail travellers were warned that they journeyed to Milwaukee at their own risk. Some airlines refused to fly into Milwaukee.

The first fatalities of this, the third racial riot in as many weeks in a major northern city, were discovered in the burned-out rubble of an arson-torched building at 1st and Center streets.

One was identified as that of a 24-year-old policeman, Dryon Moschea, the son of a fire department lieutenant. He apparently burned to death. The other was identified as that of Mrs. Ann Mosley, an elderly white widow who lived in the building. She had been shot in the head and her body had been burned.

MANY HURT

Police counted 83 persons injured—seven of them policemen shot, five of them policemen injured by stones—180 persons arrested, and widespread property damage through the Negro area north of downtown Milwaukee known as the "Inner Core" city.

Firemen reported at least 70 fire alarms during the night.

A pre-dawn thunderstorm, the deployment of 1,600 National Guard troopers, and the patrols of shotgun-bearing police appeared to have cooled the Inner Core at dawn. But there was sporadic violence during the daylight hours and Milwaukee was a city of fear.

CURFEW HIT

Father James Groppi, a white Roman Catholic priest who has been the leader of young Negro militants in the city, called Maier's curfew "a foolish move." "There's no food anywhere," he said after a night on the streets in the riot

ROMNEY ACCUSES LBJ OF STALLING

Michigan Governor Hurls Charge Of 'Playing Politics In Time Of Tragedy'

DETROIT (AP) — Michigan Gov. George Romney today said "the President of the United States played politics in a period of tragedy and riot" in Detroit.

Romney's accusation against President Johnson came in answer to a question at a news conference in which the governor earlier had accused the White House of a "complete and absolute distortion" of what happened in the governor's request for and the disposition of federal troops in Detroit's racial violence last week.

Romney measured his words and spoke deliberately at the news conference.

The governor, a top prospect for the 1968 Republican presidential nomination, told newsmen that former Assistant Secretary of Defense Cyrus Vance had been quoted by the White House as indicating Romney concurred with him in the delayed commitment of federal troops.

"Nothing could be further from the truth," Romney said.

After he accused President Johnson of playing politics, Romney was asked: "to protect the Great Soviety or to embarrass you?"

Romney replied: "You'll have to ask him."

"Is this a rebuttal to that first speech of the President in which he several times mentioned Romney's name and said local authorities were unable to control the riot?"

"I haven't discussed the two speeches," Romney replied.

"If you'll take a look at the record and the two speeches I think you'll find the second speech Johnson appeal for law and order a very excellent indictment of the first."

When did you first become aware or feel that there were political factors?

Romney replied: "When the attorney general began to insist on this certification that we had an insurrection that was out of control and didn't seem to be particularly impressed by the fact that we needed the troops to keep the situation from getting out of control."

Until today, Romney had turned aside questions about the political aspects of the delay in using federal soldiers, but he had promised "to say something about it later."

More Violence Flares In Oregon, Back East

COMBINED AP & UPI

PORTLAND, Ore. — Police sealed off a 30-block Negro area in Portland last night after roving gangs of youth broke store windows, stoned automobiles and set fires.

Mayor Terry Shrunk said the situation was "very serious" and blamed the outbreak in the Albina section on "hoodlums."

"It's a series of disorders and it's a matter of semantics whether to call it a riot," Shrunk said. "The vast majority of the people in Albina are cooperating by staying off the streets."

There were no reports of either guntire or wholesale looting, the mayor said. Six persons were treated for injuries from flying bottles and rocks.

Several fires broke out, including one where several hundred Negroes gathered to boo and harass firemen. "Black power knows how to burn 'em down, baby," one yelled.

State Police and National Guardsmen were put on alert. Gov. Tom McCall drove here from the state capital at Salem to confer with the mayor and other authorities.

LBJ Reassuring On Meeting Cost

WASHINGTON (AP) — President Johnson said today that from the financial standpoint, "I have no doubt whatever our country will be able to do whatever it is necessary to do" to meet the problem of curing the cause of riots.

Johnson expressed this confidence at a news conference in reply to a question about what would happen should his new commission on civil disorders come up with recommendations that would cost substantial amounts.

Johnson brought reporters into his office with about two minutes advance notice and announced that he was naming Washington attorney David Ginsburg as executive director of the new presidential commission on civil disorders.

Venezuela Quake Toll Up To 94; 1,500 Injured

CARACAS, Venezuela (UPI)—The death toll climbed to 94 today as rescue workers with heavy earth moving equipment burrowed through tons of debris and uncovered more victims of three earthquakes that rocked Caracas and other coastal cities Saturday night. Another 1,529 were injured.

The U.S. embassy said the dead included two American citizens and that four other Americans were listed as missing.

Police said 69 persons died in the capitol and 25 in coastal cities and they expressed fears the death toll might reach 300 as the search in mountains of debris continued.

The dead Americans were identified as Emilio Cabrera, a naturalized U.S. citizen of Cuban descent and Eduardo Parra Neff of Caracas.

Those Americans listed as missing were Keith Allen Kaplin, 35, of Beloit, Wis.; Ronald Zediak of Pennsylvania who was working here as assistant director for the Catholic Relief Services in Venezuela; Bonnie Spiller of Houston, Tex., a professional dancer; and her mother, who was visiting her.

No Two-Engine Cuts

WASHINGTON (AP) — The Federal Aviation Administration has banned two flight training procedures that were being used by a DC-8 jet airliner when it crashed March 30 near New Orleans, killing 19 persons.

The FAA eliminated the requirement that pilots simulate the failure of two engines of a four-engine jet aircraft on approach to an airport and banned hazardous flight training over congested areas.

The DC-8 crashed on approach to New Orleans International Airport into a congested area. Thirteen persons on the ground, including nine Juda, Wis., high school seniors, were among the victims. The airliner was simulating the two-engine-out procedure at the time.

FLOATING WRECK—The crew of the aircraft carrier Forrestal cleans up the flight deck yesterday after the fire aboard the ship. Holes in the deck were caused by exploding bombs. Charred aircraft hang over the side of the giant carrier.
(UPI Radiotelephoto)

Small Fire Flares Up As Carrier Comes In

SUBIC BAY, Philippines (UPI)—A small blaze broke out today in a stack of still smouldering mattresses aboard the fire-ravaged super-carrier USS Forrestal when the once mighty ship arrived from Vietnamese waters. It was quickly extinguished.

It appeared the death toll from the fire and explosions that crippled the ship for six months or more would climb to at least 146.

As the ship approached the pier adjacent to Cubic Point Naval Air Station the public address system blared, "Fire, fire, fire," and weary sailors scurried about the blackened, twisted flight deck where the weekend blaze and explosions inflicted millions of dollars damage.

The mattresses were piled behind the aircraft carrier's "island" nerve center.

Overcast skies and intermittent showers provided a somber setting as the 75,900-ton ship arrived shortly before dusk.

The fires that raged through the ship had been extinguished, but rescue crews wearing oxygen masks because of chlorine gas, were still using cutting torches to clear away debris and hunt for the bodies of missing shipmantes.

There were 77 known dead and 69 others missing and presumed dead. The Navy said that 78 sailors were injured. At Da Nang, the northern port city in South Vietnam, the U.S. hospital ship Repose arrived late today from the scene of the disaster some 150 miles away and unloaded dead and wounded from the Forrestal. The Repose carried 77 bodies. They were lowered from the deck of the hospital ship in plastic bags and carried to waiting trucks.

Officials doubted any missing men would be found alive. Some of them were still in compartments below the bomb-punctured, fire buckled flight decks, suffocated by smoke or killed by the heat so intense it turned steel bulkheads into rivulets of molten metal. Witnesses saw others jump into the sea, their clothing a mass of flames.

The Forrestal is expected to be at Subic Bay, 70 miles north of Manila, only a few days, just long enough for emergency repairs. She will then head for another shipyard, either at Pearl Harbor or in the United States, for permanent repairs.

Officials estimated that the fire and explosions caused at least $135 million damage. Included were 57 planes damaged or destroyed.

A preliminary theory is that too much fuel was put into a jet engine and as it was started, a tongue of flame from the jet's tailpipe licked out and detonated a guided missile on another plane. The missile streaked out and exploded in a 400-gallon fuel tank of a third plane, sending flaming fuel across the flight deck and causing bullets, bombs and rockets to explode.

Lions Prefer Milk To Meat

He sat in his cage and whined—like any small child—until exasperated zoo keepers produced his nippled bottle.

"This can't go on forever this way," said one bewildered official. "Who ever heard of a vegetarian lion?"

Thant Hits U.S. Version Of Viet War

GREENSBORO, N.C. (AP) — U.N. Secretary-General U Thant had disputed directly the U.S. version of its fight in Vietnam. He says it is against a nationalist independence movement, not against Communist aggression.

Thant chose an international forum of Quakers, long-time advocates of peace, for his strongest criticism yet of the U.S. military action.

"It is nationalism, and not communism, that animates the resistance movement in Vietnam against all foreigners, and now particulaly against Americans," he said.

A surge of applause came from the audience of about 8,000 last night in the Greensboro Memorial Auditorium as part of the Friends World Conference.

He said, "I am convinced that the war cannot be brought to an end until the United States and her allies realize that it is being fought by Vietnamese, not as a war of Communist aggression, but as a war of national independence."

He told a news conference before his address that if the bombing on North Vietnam were halted, there could be "meaningful talks within a matter of a few weeks."

He pictured the Vietnamese resistance as "primarily motivated by patriotism and nationalism." He also said there were "grave prospects" of Red Chinese involvement if the war continued much longer.

RIOTS

area. "People are calling for milk for their babies. If you want to get people angry, make them hungry." Father Groppi said he had warned "a hundred times" that Milwaukee—a city of 774,000 famed the world over for its beer and gemutlichkeit—was ripe for racial violence.

Rev. Walter B. Hoard, head of the Milwaukee chapter of the National Association for the Advancement of Colored People, said, "Milwaukee was due—overdue. It happened here because Milwaukee wouldn't listen. It happened here, I think, for two reasons—lack of open housing and de facto segregation."

Police could not put their finger on what started the riot. Tension had built up during the month as Father Groppi directed young Negro pickets in demonstrations against the homes of aldermen who had voted against open housing. It increased early yesterday when a fight between two Negro women in front of a rock 'n' roll establishment resulted in window smashing and 10 arrests.

At 9:30 last night, police reported gangs of Negroes roaming the riot area.

By 2 a.m. today fires blazed against the night sky despite a thunderstorm which broke over Wisconsin's largest city. Sniper fire spitted from darkened homes, pinning down police officers in the streets and ripping the windows of the Fifth District police station in the heart of the near North Side riot area. The looters moved in.

Rusk Opposes War Declaration As Destructive

WASHINGTON (AP) — Secretary of State Dean Rusk says he strongly opposes declaring war against North Vietnam because "declarations of war have come to imply dedication to the total destruction of the enemy."

"The purpose of the United States in the present conflict," Rusk told a joint subcommittee of the Senate Foreign Relations and Armed Services committees, "has been not to destroy North Vietnam but to end armed aggression and restore peace to South Vietnam."

Rusk's comments, released yesterday, were made in testimony at a closed hearing May 3—more than two months before former President Dwight D. Eisenhower's suggestion last week that Congress consider such a declaration.

Red Chinese Revolt Location Shifting

HONG KONG (UPI)—Communist party Chairman Mao Tse-tung's press organs claimed today the Wuhan rebellion has been crushed but warned a "dangerous situation" was developing in Shanghai, the nation's largest city.

And at Canton, the largest city in South China, armed clashes between Red Guards, the army and transportation workers during the past week reportedly have killed and injured "thousands of people" and were still continuing.

MARIN FIRE CALLS

SATURDAY:

2:55 p.m., San Rafael — Fire in a rear seat cushion of car driven to main fire station and owned by Thomas Pallas of San Francisco; probably started by a cigarette; damage estimated at $25.

4:29 p.m., Novato — Grass fire in the divider strip on Highway 37 one mile east of the Sonoma County line; possibly caused by a discarded cigarette.

9:55 p.m., Corte Madera — Garage fire started by a broken electric extension cord at the home of Emma J. Chain, 5 Pepper Street.

YESTERDAY:

6:35 a.m., Santa Venetia — Fire in a load of leaves in the bed of a truck belonging to Howell Tree Service of Petaluma, while the truck was near the Santa Venetia School off North San Pedro Road.

10:04 a.m., San Rafael — Controlled grass buring reported in the backyard of home at 334 Paloma Avenue.

10:55 a.m., Fairfax — Grass fire on Ridgeway Hill behind the Jolly Market, 2040 Sir Francis Drake Boulevard, burned 450 square feet.

1:17 p.m., China Camp — Grass fire near the archery range on North San Pedro Road burned one acre of grass and brush; probably started by stray tracer bullet fired during practice target shooting; no damage.

1:17 p.m., Alto — Small grass fire in empty lot at Vasco and Azalea drives; no damage; cause unknown; Mill Valley Fire Department assisted.

3:12 p.m., Sausalito — Two 7-year-old boys playing with matches set 300-square-foot fire in empty lot at Locust and Humboldt street; no damage.

3:40 p.m., Kentfield — Stove fire at 1115 Sir Francis Drake Boulevard, apt. 7, residence of R. C. Barrier, caused minor damage.

4:35 p.m., Woodacre — Grass fire at Rockridge Way and Madrone Avenue burned 600 square feet; started by incinerator spark.

9:30 p.m., Sausalito — Overloaded clothes dryer smoking in apartment of Robert Rosenberg, 15 Rodeo Avenue; no damage.

Rock Musician Not Person Who Was Committed

The Independent-Journal incorrecly reported Thursday that a member of the Moby Grape, a rock 'n' roll combo was arrested by Sausalito police while allegedly on an LSD "trip."

The Peter K. Lewis who was arrested Thursday was 20 years old and resides at 444 Oakdale Avenue, Corte Madera, police reported. The Peter Lewis who is a member of the music group is 22 and resides at 376 Tamalpais Avenue, Tamalpais Valley.

The Lewis arrested Thursday was an office boy in a San Francisco advertising firm until last week. He was committed to Napa State Hospital by police after he was found early Thursday babbling incoherently while sitting on the rear stairs at 15 Princess Street.

The Independent-Journal regrets any embarrassment caused Peter Lewis of the Moby Grape and apologizes for its error.

Two Arrested With Juveniles, Beer In Car

Two youths were booked at county jail at 7:30 p.m. yesterday for possession of alcholic beverages in a motor vehicle and contributing to the delinquency of minors, and six juveniles in the car were cited to the juvenile bureau.

Sheriff's Deputy John O. Goff responded to a radio alert from the sheriff's office to stop a car driving unsafely on Highway 101, when he saw the car on California Park Hill and stopped it at the Corte Madera Overpass.

Harvey Robert Grimmer, 19, of 320 C Street, San Rafael, showed Goff a driver's license from Los Angeles and said the car's owner was in jail.

Goff saw cans of beer in the car, along with six teen-agers under 18 years old. Also in the car was Robert Micheil Pinske, 18, of 190 San Jose Drive, Hamilton Air Force Base.

Grimmer and Pinske were being held at the county jail today in lieu of $606 bail each. The juveniles were cited for being in a vehicle containing alcoholic veverages.

Yorty Apologies For Police Raid Against Muslims

LOS ANGELES (AP) — Mayor Samuel Yorty has blamed a breakdown in communications for the raid on a Black Muslim Temple early Saturday and publicly apologized to the Negro group.

At a news conference, Yorty said the police were misled when an informant called police Broadway Temple.

Judge Walter S. Binns issued the search warrant, and 80 policeman went to the temple at 6 a.m. and broke down the door.

In a conversation with the minister of the group, Herman 5X, Yorty apologized. Herman 5X said the officers could have waited until the door was opened.

Byzantine-Style Gate Plan Denied

Marin County Zoning Administrator Thomas E. Cordill refused today to permit George G. Nicoladze of 91 Legend Road, Sleepy Hollow, to build a Byzantine-style driveway gate in front of his home.

Nicoladze needed a variance for the gate since it would have exceeded height limits by 10 feet.

Representatives of the Sleepy Hollow Homeowners Association objected that design of the proposed entrance would contrast with area architecture. None of Nicoladze's immediate neighbors opposed his plans.

Cordill also delayed until week's end a decision on a variance application by Jean M. Ostaggi of Ross for a building site on an undersized lot on Manzanita Avenue, west of Main Drive, Bayside Acres, pending title investigations.

Dope Spree In Jail

SAN BRUNO (UPI) — San Francisco County Sheriff Matthew Carberry said today 15 to 20 inmates of the county jail were recovering from tipsiness or grogginess induced when they consumed a stolen sedative mix. The concoction, chloral hydrate-triple bromide, was stolen from a storeroom and sold throughout the jail, deputies said.

The design for the White House was a contest sponsored by the Federal Government and won by James Hoben, who was awarded a $500 prize.

PORTLAND

er said the area was sealed off and 200 men assigned to the Albina area after a fire bomb was thrown into a furniture store in late afternoon.

Violence flared anew in widely scattered Negro areas across the country, and then was quelled. Three battalions of regular Army troops were ordered pulledout of Detroit as the situation eased there.

Cyrus R. Vance, President Johnson's representative in Detroit, ordered withdrawn three battalions of regular Army troops sent to quell the violence there last week. Paratroopers also began leaving Detroit.

Despite President Johnson's call for a day of prayer for civil and racial peace, there were outbreaks in Portland, Ore., San Bernardino, Calif., Riviera Beach, Fla., Wichita, Kan., and Cleveland, Ohio, last night.

Two persons were arrested in San Bernardino after violence flared in the city's Negro and Mexican-American section on the West Side. Gasoline-filled bottles were thrown onto the roof of a supermarket, but the fire quickly was extinguished. There also was sporadic sniper fire.

In Palo Alto, one man was shot by a sheriff's deputy as gangs roamed the street of predominantly Negro East Palo Alto early today.

Sheriff's Capt. Eugene Stewart said his department signalled an alert which continued until 2:30 a.m.

Ronald Hall, 20, was shot after he threw a building block at sheriff's deputy Ernest Holt from the center of a milling throng shortly after midnight, Stewart said.

Hall, not seriously wounded, was placed under guard at San Mateo General Hospital.

In Compton the city's 11 Negro officials have officially praised the citizens for being peaceful in a time of urban violence.

A statement was signed yesterday by three councilmen, the city clerk and seven members of the school board.

"We deplore such violence and destruction," the statement read. It thanked the people "for their calmness" and asked them "to please continue their faith in our leadership."

About 65 per cent of the 75,000 persons in Compton, a Los Angeles suburb, is Negro.

just below the DMZ and slaughtered 21 civilians and wounded two children.

On the diplomatic front, U.S. presidential envoy Gen. Maxwell D. Taylor told newsmen at Canberra, Australia, today that the war "could be ended by negotiation as quickly as the Korean war or the blockade of Berlin."

The Communists reported a new attack on Hanoi today by American warplanes and said one U.S. plane was shot down by a "solid" wave of anti-aircraft fire. There was no confirmation in Saigon but a spokesman said targets 27 miles from Hanoi were hit yesterday.

American planes flew 90 missions against North Vietnam yesterday, hitting the Bac Giang cargo transfer point 27 miles northeast of Hanoi and the Mon Duong transforer station 44 miles northeast of Haiphong, plus targets in the Panhandle.

The Air Force disclosed the death of 1st Lt. Karl W. Richter, 24, one of the air heroes of the Vietnam war. Richter, of Holly, Mich., shot down his first MIG at the age of 23 and had volunteered for 100 more missions. It was his 198th mission when he was killed Friday.

Parking Meter Opposition Loses

SACRAMENTO (UPI) — The U.S. District Court of Appeals today upheld an Auburn Municipal Court decision declaring invalid an initiative petition drive against Auburn's parking meter system.

Clarence Bragg, Auburn, appealed the lower court decision which ruled that the 1946 city ordinance was subject to referendum but not to initiative.

HemisFair '68, the first world's fair in the American Southwest, will be held April 6 to Oct. 6, 1968, in San Antonio, Tex.

OBITUARIES

Robert J. Leary Dies At 70

Robert James Leary, retired credit department manager of San Rafael, died yesterday at a local hospital after a long illness. He was 70.

Leary, of 1305 Nye Street, was department manager for the Credit Men's Association in San Francisco until retiring five years ago. A native of San Francisco, he had lived in Marin for 35 years.

He was an active member of Saint Raphael's Church and was honored June 12 at a testimonial dinner for 50 years' membership in the Young Men's Institute.

He was a past president of Saint Raphael's Council 10 of the Young Men's Institute, a member of the Holy Name Society, and a member of the League of the Holy Cross Cadets.

He was also a past grand president of the Young Men's Institute, and a member of the Vigilante Association of Credit Men of San Francisco, San Rafael Elks Lodge 1108, SIRS of Marin and the State Council of Defense California Highway Patrol Auxiliary.

He is survived by his wife, Josephine E. Leary of San Rafael; a son, Robert J. Leary Jr. of San Carlos; a sister, Ellen Leary, of San Francisco; three brothers, William Leary, Richard Leary and Alexander O'Leary, all of San Francisco, and four grandchildren.

A Requiem High Mass will be offered at 10 a.m. Wednesday at Saint Raphael's Church, San Rafael. Burial will be at Mount Olivet Cemetery, San Rafael. The Rosary will be recited at 8:15 p.m. tomorrow at Keaton's Mortuary, San Rafael, following a service at 8 p.m. by the Young Men's Institute.

EDITH DEMPSEY

Mrs. Edith Dempsey, who died in a local hospital Thursday, lived at 100 Sequoia Drive, San Anselmo. The Independent-Journal Saturday, incorrectly reported her as living in Fairfax.

Funeral for Mrs. Dempsey, wife of Thomas L. Dempsey, was to have been held today at Chapel of the Hills, San Anselmo.

RICHARD ABRAHAMS

Funeral for Richard Abrahams of 320 Via Casitas, Greenbrae, was held today at the Halstad Mortuary in San Francisco.

Abrahams, husband of Vera Abrahams, died Saturday in a local hospital after a short illness. He was 69.

He owned a jewely store in San Francisco.

He was born in San Francisco and had lived in Marin for 20 years. He was a member of Fidelity Lodge No 120, Free and Accepted Masons, and the San Francisco Bodies Scottish Rite and Islam Temple of the Shrine.

He is survived by his wife; a son, Richard A. Heller of Sacramento; a brother, Harry N. Abrahams; and a sister, Katherine Zelinsky Meyer.

LEONARD QUINN

Funeral for Leonard D. Quinn, a retired attorney, will be 11 a.m. Wednesday at the Harry M. Williams Mortuary in San Rafael. He was 87.

He died last Friday night in a local convalescent hospital after a long illness.

He was a native of Illinois and lived in Marin County for the past four years. He had been an attorney for about 50 years before his retirement.

He is survived by his wife, Flora M. Quinn, and a daughter, Mrs. Clifton Rattenbury, both of San Rafael, three granddaughters and seven great-grandchildren.

Interment will be at Mt. Tamalpais Cemetery in San Rafael.

KYOTO CLIFTON

Kyoto Clifton, former Marin County resident and Hamilton Air Force Base employee, died today in a San Francisco hospital after a long illness. She was 46.

A native of Tokyo, Japan, she married James Clifton while he was stationed there with the Army in 1953. The couple moved to Petaluma in 1964 after living several years in Marin County.

She is survived by her husband; her mother, Yasu Tsukamoto of Kamakur, Japan, and four sisters, Yasu, Michiyo, Hasuko and Mareshige Tsukamoto, all of Japan.

Funeral will be Thursday at 11 a.m. at Parent Funeral Chapel, Magnolia and Keokuk Streets, Petaluma.

Two Charged With Burglary Of Laundry

A San Francisco man and Kentfield woman were arrested in Greenbrae minutes after a burglary was reported at a San Anselmo laundry yesterday at 12:45 a.m., according to San Anselmo police.

Phyllis A. Arnold, 18, of 17 Tree Top Way, Kentfield, and William A. Neall, 22, of San Francisco, were taken to Marin County Jail and charged with burglary. Both were released on $1,000 bail.

San Anselmo police said two witnesses called police at 12:45 a.m. to report that a couple had broken into a storage room at Ken's Coin-O-Mat, 701 San Anselmo Avenue. The witnesses gave police the license number of the car involved.

Sheriff's deputies stopped Neall and Miss Arnold a few minutes later on Sir Francis Drake Boulevard in Greenbrae and found 200 small tubes of dry bleach, 200 small boxes of detergent and 65 large plastic laundry bags in their car.

Petaluma Man Killed In Fight At Trailer Court

PETALUMA (UPI)— William V. Phillips, 39, was fatally shot in the chest yesterday by a revolver bullet at a trailer park near Petaluma.

Sheriff's deputies held Joseph White, 42, an auto body repair man, for investigation of murder.

They said Phillips and his brother, Luther, his wife, Barbara, and another woman arrived at White's trailer unannounced.

According to deputies, Luther's wife, Sonja Phillips, was found with White, and an argument ensued. The victim was found dead in front of the White trailer.

Treasurer Now Consultant

SACRAMENTO (UPI)—Former Treasurer Bert A. Betts said today he has opened a financial consulting firm.

Betts said the firm has offices in Sacramento, Beverly Hills and Portland. He said it would specialize in the financial problems of government.

Betts was defeated last November by Republican Ivy Baker Priest.

Witness Says Detroit Guardsman Shot, Killed Defenseless Negro

DETROIT (AP)—The Detroit News said in a copyrighted story today that two persons assert they witnessed a National Guardsman kill one or possibly two of three Negroes mysteriously slain at the height of the Detroit rioting.

The News found where one of the reported witnesses lived, chartered a plane and flew city authorities — who had been unable to locate the man — to the witness.

The victims, all shot early Wednesday in a midtown motel, were Aubrey Pollard, 19, Carl Cooper, 17, and Fred Temple, 18, all of Detroit. A Detroit police report said the three were "apparently shot to death in an exchange of gunfire."

But no gun was reported recovered from the slaying scene, and both the News and the Detroit Free Press launched independent investigations of the killings.

An intensive probe also begun into the killings by the FBI, State Police, the Wayne Detroit County prosecutor's office and Detroit homicide detectives.

The News said it traced one of the reported witnesses, Robert L. Greene, 26, an Army veteran, to his home in Hopkinsville, Ky. He had been in Detroit looking for a job, the News said.

In the story by reporter Joseph Strickland, the News quoted Greene, a Negro as saying "I saw the National Guard officer kill two of the boys."

Greene was quoted in the story as saying a raiding party of 16 policemen and National Guardsmen burst into the motel early Wednesday, searching for snipers. He was reported as saying the raiders included a Negro policeman and a Negro guardsman.

"Greene said the Negroes in the raiding pary made no attempt to prevent what he called 'cold-blooded murder,'" the News said.

The News said Greene told the story in a sworn statement to Jesse B. Eggleston, assistant county prosecutor, and Inspector Charles Schlachter of the Detroit Police homicide bureau.

The officials were not immediately avaiable for comment.

Greene was said to have stated that two white girls and two other Negro men besides the three gunshot victims were in the motel at the time and that were herded against a wall.

"The police just walked up and down the line and beat us," the News quoted him. "They even beat the two girls," he told the paper.

One of the two other men, the News said, was Roderick D. Davis, 20, of Detroit, a member of a rock 'n' roll singing group.

"We were herded into this hall," Davis was quoted by the paper as saying, "and this National Guardsman kept telling uss he was going to kill us all.

"He tried to make one of the boys (the three victims) take a knife from him. He told the boy to cut him or try to stab him," Davis was quoted as saying.

"The boy refused, and the guy threw the knife at him, then shot him," the News reported Davis as saying.

Davis reportedly said he, Reed and Temple, were pushed out of a back door after they were made to leave their shoes behind.

"They told us to start walking toward home and not to look back," Davis was quoted as saying.

The News reported Davis as saying "Fred Temple asked if he could put his shoes on and the guardsman told him to go ahead."

Temple never rejoined them, the News said.

Both the News and Free Press said each of the three victims was shot at least twice

The Free Press said a pathologist it hired found in examining the bodies that the shots were "fired at close range," from no more than 15 feet away, probably less. Two of them — Temple and Pollard—were probably shot while lying down or kneeling."

The News quoted Greene as saying he could identify the National Guardsmen.

Greene was reported to have said he fled to his home in Kentucky after being set free because he pleaded that he had reenlisted in the Army.

Drunken Driver Gets Jail Term, Fine

Doster Leon Chase, 31, of 400 Canal Street, San Rafael, was given five days in county jail Friday following his Marin Municipal Court jury conviction for drunken driving with a prior conviction.

Judge Hadden W. Roth also fined him $289 and placed him on six months probation. Chase was arrested May 4 on Highway 101 by California Highway Patrol.

LAW IN ACTION

From the State Bar Of California

Naming Of Businesses

dba

You may read in your newspaper that a person or group of people plan to do business under a "fictitious" name like Acme concrete company. Why this notice?

State law says such a business must file a certificate with the county clerk in the county where its main office is located to let the public know who the owners are. The owners must publish the notice in a newspaper once a week for four weeks.

Failure to publish prevents the business from suing on contracts entered into under its fictitious business name.

Filing of the certificate allows the business to bring lawsuits under its fictitious name to enforce a legal right it may have.

A business that fully gives the name of the owner or owners need not file the certificate. For example if a business name "W. S. Wetenhall Company" is the name of a single owner, it need not file a certificate to sue on contracts made under the company name.

Corporations have a legal existence apart from their owners. They file their articles of incorporation with the Secretary of the State and the county clerk. A corporation may sue under its corporate name, such as Supreme Widget Co., Inc.

Some associations do not operate for profit — say a labor union, lodge, social club, or charity. The law, as a rule, treats these "unincorporated" associations as partnerships. But there are exceptions.

In a recent case a union had a badly kept parking lot. A member slipped and fell entering the union hall, anl he sued his own union.

The union defended that it was not a legal entity but a group of members and claimed that a member could not sue himself. This would be the result if the court applied the rules of partnerships.

The court ruled otherwise and held that a member could sue his union. Union membership did not make him a partner.

The union was liable for the injuries it caused because it was to be treated as a separate legal entity.

Consult an attorney when you start a business or non-profit association to select the best and the least costly method of operation. **(Note: California lawyers offer this column so you may know about our laws.)**

Third Novato Teener Missing

Cheryl Denise Graul, 16, daughter of SM/Sgt. and Mrs. Harlan E. Graul of 242 San Jose Boulevard, Novato, is missing from her home today and has been since 2:30 p.m. last Saturday, according to Novato police.

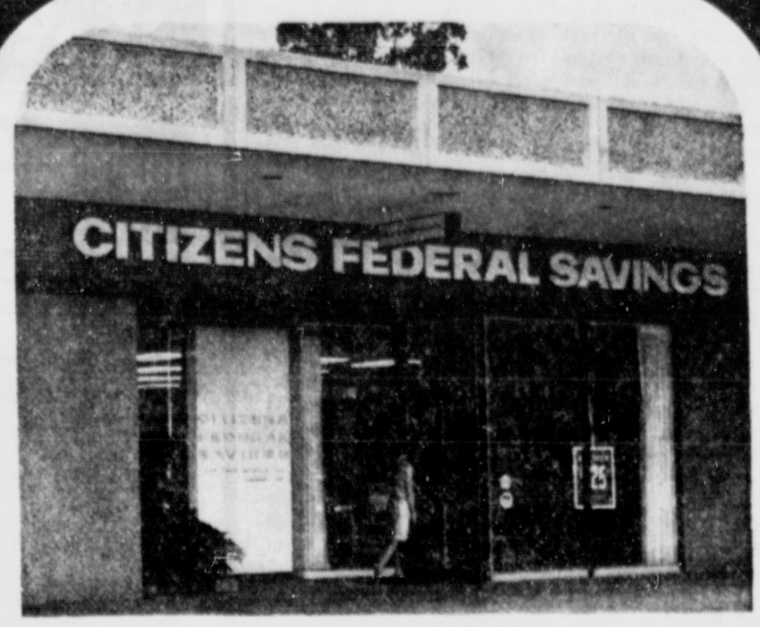

Cheryl was described as five feet three inches tall, weighing 150 pounds with brown hair and blue eyes. When last seen she was wearing a black and white long sleeved dress, brown sandals and purse.

Two other teen-agers were reported still missing today by Novato police: Wayne Lamont Fuller, 13, son of Sgt. and Mrs. Donald L. Fuller of 336 Bolling Drive, Hamilton Air Force Base, missing since last Monday, and Peter Guy Gerston, 16, son of Dr. and Mrs. Sidney R. Kerston of 2108 Vineyard Road, Novato, missing since Wednesday.

Driver Remains In Fair Condition

Daniel Zell, 18, of 1210 Cambridge Avenue, Novato, was reported remaining in fair condition today at Marin General Hospital with a cut scalp and left leg and bruised abdomen, suffered when a bee sting caused him to drive off the road near Marshall July 22.

Passengers Donna Petty, 15, of 600 Rowland Boulevard, Novato, who suffered a fractured skull and right arm and a cut left leg, was reported in good condition at the hospital today while her brother, Donald, 12, was released yesterday after treatment for multiple cuts on his hands, face and feet.

What Is 'Balanced' Transport For Marin?

Continued from page 1

ed bus lanes. This is the only proposal that has been given real consideration by Marin County Transit District directors, and the only one that fits the buy-the-Greyhound "solution" for which the district paid $66,000 of tax money to two consultants.

The Division of Bay Toll Crossings estimated costs of providing highway approaches for a second deck at $179,300,000 in San Francisco and $67,500,000 in Marin. On top of that would be the cost of the bridge deck itself, estimated by bridge district officials at "somewhere between $35 million and $97 million." And on top of that would be the cost of the bus system.

The Division of Bay Toll Crossings estimates a speedy bus system, including rolling stock, would cost $36 million. Marin would have to bear this share of the cost without outside help.

This would be for a system expected to reverse the present situation, in which —according to the report — it takes considerably longer by bus than by car to get from anywhere in Marin to anywhere in San Francisco, even at peak traffic hours. This would require traffic lanes reserved for bus use on both the bridge and its approaches.

Another possibility studied by the Division of Bay Toll Crossings was for a second deck, with its buses, plus a parallel bridge to carry trains. This is estimated to add $14,900,000 to highway approach costs in Marin and cost $435,300,000 for the bridge and the railway line.

Much cheaper than either of these would be an underwater tube carrying rails. The division estimated this could be installed for $271,300, including rolling stock. It would require no expensive highway approaches.

The joker here is that Golden Gate Bridge District and state highway funds could not be used for the railway tube. This would leave Marin bearing the whole cost. The county does not have that much bonding capacity.

The division also considered other possibilities, including a vehicular tube, a Tiburon bridge, a bridge from Point Bonita, etc.

Its conclusion was that the second deck should be put on the Golden Gate Bridge, the quarter billion dollars spent for highway approaches —and then the underwater tube or second bridge for rails should be undertaken as a second phase. In other words, it proposed between $340 million and a half-billion be spent on a stop-gap solution, with another quarter million to follow later to complete the job.

Would the second deck with its bus lanes provide a "balanced transportation system"? The Marin County Transit District board seews to thing so. Would addition of a tube or second bridge carrying rails — after the second deck was built — provide a "balanced transportation system"? The State Division of Bay Toll Crossings seems to think so.

The ideas of another expert will be presented tomorrow.

Revolutionary Conclave Opening In Castro's Land

HAVANA (AP) — Latin-American revolutionaries assembled in Havana today to echo Fidel Castro's call for guerrilla warfare from Detroit to Cape Horn. Stokely Carmichael, the U.S. Black Power advocate, is to be among the speakers at the nine-day meeting of the Organization of Latin American Solidarity.

Cuban President Osvaldo Dorticos is expected to deliver the keynote address at the opening session tonight. Prime Minister Castro is expected to wind up the meeting Aug. 8.

One key point in the agenda for the meeting calls for "support of the Negro people of the United States in their struggle against racial discrimination."

Since arriving in Cuba last Tuesday, Carmichael has been calling for American Negroes to take up guerrilla-type operations. He has endorsed missing guerrilla leader Ernesto "Che" Guevara's call for creation of more Vietnams for the United States and said racial upheavals in Detroit, Newark and other U.S. cities should be considered Vietnams.

Big delegations from the Viet Cong and North Vietnam are among the observers. The Puerto Rican Independence Movement is represented by its executive secretary, Juan Mari Bras.

Eugenio Rodriguez Balari, executive secretary of the Cuban OLAS committee, said the main OLAS objective is to develop armed revolutionary fights against imperialism and its lackeys—meaning the United States and most Latin-American governments.

Thieves Acquire Varied Booty

Twelve bottles of liquor worth $103 were stolen yesterday from Redcart Market, 759 East Blithedale Avenue, Mill Valley, police reported. The theft was noticed by clerks at 1 p.m.

Theft of a $25 trailer hitch clamp and four quarts of oil was reported yesterday to police by Beverly Rotchy, 230 Elm Avenue, Mill Valley. They were stolen Saturday night from her car while parked in front of her residence, she said.

Mrs. Roy E. Jennings, 100 South Street, Sausalito, reported Friday to Mill Valley police that ten redwood planks worth $27 were stolen from her building site at 240 Lovell Avenue.

College Board To Weigh Raise For Administrators

The Marin Junior College District Board will consider administrative salaries Thursday at 8 p.m. in Room G1 of the physical education complex at the college.

College President Dr. William K. Ramstad has recommended that administrators receive the same 7 per cent increase the board granted to members of the faculty.

A public hearing will be held on adoption of a fiscal 1967-68 district budget totaling $3,510,834, up $71,436 from last year's budget. No change is expected in last year's tax rate of 77 cents per $100 assessed valuation, but income from property taxes is expected to total $1,895,000, up $245,903 from last year's tax revenue.

The board will consider paying $1,000 for an option to purchase the Phillips Petroleum Co. property on the corner of College Avenue and Sir Francis Drake Boulevard. The option to purchase the property for $95,000 would hold until 1975.

The board will designate vocational education projects to be financed by $100,000 in federal funds. Reports will be made on the summer session and on the college credit program for high school students. The board may award contracts for music and audio-visual equipment for the new fine arts building.

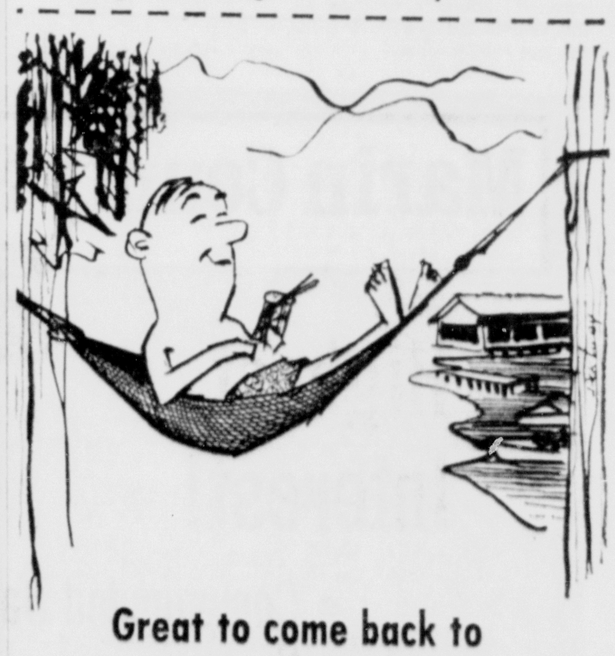

Sun In Eyes Blamed In Crash

Josephine Dawson, 35, of 32 Windsor Avenue, San Rafael, suffered a cut lip at 5:45 p.m. yesterday when the car in which she was riding was in a two-car crash on Shoreline Highway, seven miles south of Olema.

Glenn Edward Dawson, 40, of the same address, told California Highway Patrol he was blinded by the sunlight on a curve, causing his northbound car to hit head-on a southbound vehicle driven by John Joseph Higgins, 18, of Sunnyvale. The two drivers were not injured.

Mrs. Dawson was treated at Marin General Hospital.

Ross Home Owners Pledge Rental Fight

A group of 42 Ross property owners has announced an initiative petition drive for 10-year postponement of a zoning ban on non-conforming rental housing in single family districts.

The group, the Ross Property Rights Association, is "definitely against the creation of any more multiple dwellings in Ross," according to chairman Dwight A. Coddington. "But we don't feel that for those of us who now own rental units — for the most part separate small buildings — should have their rental use denied us," he said.

The ordinance was passed in 1963, Town Atty. Robert W. Elliott said, with a five-year amortization period before existing non-conforming rentals were barred. The five years end next February.

Elliott said the law allows an extension to 10 years for persons granted a variance. Julius H. Selinger, attorney for the association, said he believed none of the members had applied for a variance, however.

Selinger drew an amendment granting blanket 10-year extension for existing rentals, which the association proposes. He said 200 signatures are required to force an ordinance change by petition, but 250 will be sought.

If the petition is found sufficient by the town council, it must either adopt the proposed amendment or call a special town election on it.

The proposed 10-year extension would date from adoption to the amendment, moving enforcement to late 1977 or early 1978.

Coddington said many of the rental units built during the World War II housing shortage, although some date back more than 60 years.

"Many are occupied by elderly or infirm parents of the owners," Coddington said. "Several widowed owners who would otherwise be forced to live alone have rented out an apartment so there would be someone else in the house for security reasons."

Holidays On Mondays Bill Pushed

WASHINGTON (AP)—A move to make most national holidays fall on Mondays, thus providing five or six three-day weekends each year, is about to get a push in Congress.

A House judiciary subcommittee has scheduled hearings for Aug. 16-17 on bills that would shift Washington's Birthday, Memorial Day, Independence Day and Veterans' Day to Monday. Several bills also would add Thanksgiving Day to the list.

Christmas and New Year's Day still would cycle through the days of the week.

The idea has strong support in the business community, which thinks it would smooth out production schedules and cut down absenteeism among workers.

The only real opposition comes from traditionalists who find it inconceivable that the Fourth of July, for instance, should be celebrated any other day.

But supporters of the legislation have amassed a lot of information showing the dates of most holidays have been set arbitrarily and that the calendar itself has been changed.

The proposed changes would make Washington's Birthday fall on the third Monday of February, Memorial Day on the last Monday of May, Independence Day on the first Monday in July and Veterans Day on either the last Monday in October or the first Monday in November.

Some would have Thanksgiving Day observed on the fourth Monday in November.

Enactment of any such legislation would affect only federal government activities. The states still would be free to proclaim their own holidays, but they generally follow national policy on such matters.

Jobless Checks

SACRAMENTO (CNS) — The state of California paid $36,620,274 to unemployment insurance claimants in June of this year including $247,490 from the San Rafael office.

Bond Issue Date To Be Discussed

San Rafael Board of Education may decide tomorrow night on a date for an election on bond issues for elementary and high school districts totaling $7.5 million.

The money would be for a third high school, a middle school in the Glenwood area, and a new elementary school at Peacock Gap, according to Supt. John F. Plank. Part would also finance improvements of existing school, he said.

The bond issue was recommended by a citizen committee set up by the board.

The meeting will be at 7:30 p.m. in the school administration building at Third and E streets.

The board will also consider award of the contract for an industrial arts shop at Davidson Junior High School. Three lowest bids were Fostmeier Construction Co., $57,220; Crown Development Co., $58,180, and Clifford Francis, $58,300.

A second contract for improvement of grounds at the Santa Venetia middle school will also be awarded. Bids on this job were to be opened this afternoon.

The board will also hold a public hearing on the district's fiscal 1968 budget of $7,604,866.

Eight appointments, seven resignations and one leave of absence will be considered.

Sanitary Board To Set Election

The Corte Madera Sanitary District board will officially call for a Nov. 7 election to three seats on the board tomorrow at 7:30 p.m. in the district office.

The terms of directors Heber C. Leney, Ernest T. Mock and Fred A. Nicholson will expire. Candidates must file nominating petitions between Aug. 24 and Sept. 18.

The board will also consider salary increases for the district's five employees.

Park Priorities On Rec Agenda

The Fairfax Parks and Recreation Commission will again discuss priorities for park improvements in the Fairfax general plan when it meets at 8 p.m. tomorrow at the Fairfax Women's Club, 46 Park Road.

Also on the agenda are a proposal to renew teenage dances at Fairfax Pavilion and discussion of rules for the new tennis courts.

Why Do You Have A Poor Memory?

A noted publisher in Chicago reports there is a simple technique for acquiring a powerful memory which can pay you real dividends in both business and social advancement and works like magic to give you added poise, necessary self-confidence and greater popularity.

According to this publisher, many people do not realize how much they could influence others simply by remembering accurately everything they see, hear, or read. Whether in business, at social functions or even in casual conversations with new acquaintances, there are ways in which you can dominate each situation by your ability to remember.

To acquaint the readers of this paper with the easy-to-follow rules for developing skill in remembering anything you choose to remember, the publishers have printed full details of their self-training method in a new booklet, "Adventures in Memory," which will be mailed free to anyone who requests it. No obligation. Send your name, address, and zip code to: Memory Studies, 835 Diversey Pkwy., Dept. 310-618, Chicago, Ill. 60614. A postcard will do.

Fairfax School Trustees Set Budget Hearing

A public budget hearing and final adoption of the 1967-8 budget of $696,272 are scheduled tomorrow by the Fairfax School District Board.

The board meets at 7:45 p.m. at the district office, 58 Park Road.

The board will also hear reports on construction progress at the new White Hill School and on the long-standing heating problem at Manor School.

A final report on this year's summer school will be heard.

The board will consider hiring a third grade teacher and a night custodian for Central and Deer Park schools.

Hub Trustees Set Public Budget Hearing

The San Anselmo School District board will have a public hearing on the district's $1,626,635 budget for fiscal 1968 tomorrow at 7:30 p.m. at Red Hill School.

The board also will consider a resolution setting for Oct. 10 a special election to authorize a $950,000 bond issue and a 75-cent increase in the limit on the district's general operating tax rate, now $2.25 per $100 assessed valuation. This is the part of the tax rate which can be raised only with voter approval. The district's total tax rate last fiscal year was $3.275.

The board will consider also Mount Tamalpais Cemetery's claim to an easement over Red Hill School Property. The Sleepy Hollow Tennis Club has asked for use of tennis courts at Hidden Valley School on a definite schedule.

Fitness Training Asked For Youth

LOS ANGELES (UPI)—Mayor Sam Yorty has proposed that President Johnson consider a massive physical fitness program which would pay high school students who participate.

In a letter to Johnson which Yorty made public yesterday, he suggested Los Angeles as the site of the pilot program which he said could be conducted in the youths' "own neighborhoods at the nearest playground, school gymnasium, armory or suitable public facility five days a week under the direction of competent and trained physical fitness and athletic directors."

Yorty said the students could be paid $50 monthly "or a suitable sum decided upon by the federal government."

Storm Halts Rescue Hunt

ANCHORAGE, Alaska (AP) — A rescue party, hurrying ahead of a gathering storm Sunday searched Mount McKinley where at least three climbers died but could find no trace of four other men who are missing and feared dead.

The five-man party, exhausted by the strenuous search in the rarefied air on the 20,320-foot mountain, contacted park headquarters by radio from the 15,000-foot level yesterday afternoon.

They said they were trying to reach the 12,000-foot level for more protection from the wind and snow storm which closed on the peak during the day.

The storm, expected to last up to 72 hours, smothered most of the remaining hope of finding alive the four climbers who have been missing nearly two weeks.

Two bodies were found late Saturday several hundred feet down the steep side of a ridge leading from the south peak. There were indications that these unidentified climbers had been blown down the ridge during a storm.

The body of Stephen A. Taylor, Chicago, was found at the 17,900-foot camp where he had remained when the other six made the assault on the south peak.

Taylor's six companions radioed that they had reached the top July 18, that "all was well" and that they were coming down.

Dry Ice Cuts Fog For Planes

SAN FRANCISCO (AP) — Dropping dry ice pellets has succeeded in clearing fog banks from many airports, but it does not work on "warm" mist found in most coastal areas, United Airlines said yesterday.

The program now operates in areas including Sacramento, Reno and the Pacific Northwest, said company meteorology manager W. B. Beckwith.

At least 475 United flights have operated at fields which otherwise would have been fogged in this season, he reported.

Condition Still Fair

Frank Franulic, 22, of 265 Circle Drive, Tiburon, was reported still in fair condition today at Marin General Hospital. Franulic, a waiter at Dominic's Harbor Restaurant, suffered multiple burns on his face, chest and hands when a can of methanol exploded as he lighted a flaming dessert.

Hearing Set On Demotion Of Employee

Edgar Phillips, demoted Fairfax city employee, will get a hearing before the city's board of review at 7:30 p.m. Aug. 9.

Phillips was demoted July 13 from street superintendent to street maintenance man, without reduction in pay, on grounds he lacked administrative ability.

He appealed the demotion to the city council but was turned down. The five-man review board can overrule the council.

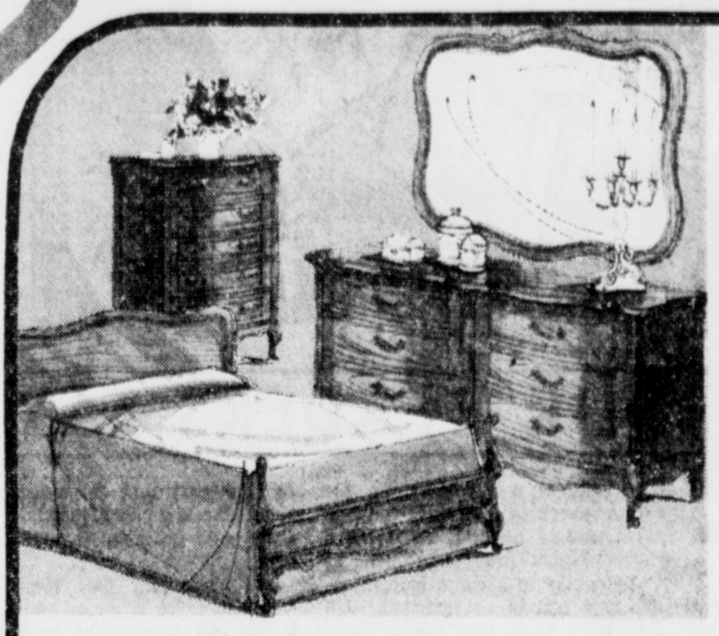

City Administrator David J. Sumbardo said the hearing will be closed unless Phillips wants it open.

Review board members are Frank L. Lawrence, Richard Sloan, William Benson, Albert Fox and Freeman Blake.

Riots Cannot Improve Jobs, Living Condition

Violence is being imported into the county for the mere sake of violence, when conditions which breed death and destruction in other areas of the nation do not exist here.

Fortunately, decent citizens in Marin are meeting the problem with calm and sanity.

We hope that the majority will refuse, as they have done in the past, to be led to violence by a reckless few. We trust that they will heed the voices of moderation rising from among leaders of both the white and black races.

Responsible Negro leaders are lining up on the side of law and order and against riots which are no longer civil-rights motivated but are acts of pure destruction and anarchy.

Ray Taliaferro, San Francisco official of the National Association for Advancement of Colored People, decried the senselessness of violence in a speech at Hunters Point last week. "We are losing — losing all across the country," he declared. "Riots aren't destroying the ghettos. They are destroying us, because they don't do a thing to eliminate unemployment, bad housing and bad schools."

Taliaferro's message stressed the need for constructive, instead of destructive, action. He called on Negroes to avoid riots and to use their energies to create "a dynamic voice that will be heard in the executive and legislative halls of our city, state and federal governments."

His message was in sharp contrast to the cries of Black Power advocates, who are, apparently, bent on the use of raw power to gain their objectives.

The danger of resorting to naked force lies, not only in the destruction of lives and properties, but also inciting force to meet force.

The gains made in civil rights during the last three years by peaceful demonstrations and through legislative processes can be nullified if continued violence begins to alienate those who are in sympathy with the civil rights demands of the minorities.

Jobs, decent living conditions, and social tolerance cannot be obtained at gun or knife-point. Irresponsible looting, killing and rioting can only bring swift retaliation by force. The only big gainers will be the militant racists, who can use the riots as an excuse to build up their forces of bigotry and hate.

Death and destruction wrought by rioting will only hinder and postpone the painfully slow process of bringing jobs and decent living conditions to the ghettos of the nation.

No matter how justified the grievances of the oppressed, the resort to physical violence cannot be defended.

Voices of moderation and patience must be heard and heeded. If these voices of sanity are ever stilled, the law of the jungle will prevail.

For Whom Those Bells Toll

The bells of fuchsias don't really toll. They just grow in one spot and nod silently in the inevitable afternoon breeze. They are perfectly adapted to Marin's cool summer climate, with the added advantage that they thrive in partial shade.

Besides being fuchsia colored, they are various shades of purples, pinks and whites in all sorts of combinations.

If fuchsias could toll, it would probably be for the death of unhappiness. For it would be a glum soul indeed whose life would not be brightened by these colorful flowers and the hummingbirds which they seem to attract.

Attorney General Decries Bid, Meeting, Lease Of Race Track

By HENRY C. MacARTHUR

SACRAMENTO (CNS) — A scathing report regarding activities surrounding the bidding for Del Mar Race track in San Diego County has been issued by Thomas C. Lynch, attorney general. The report was made at the request of Assemblymen Harvey Johnson, D-El Monte, and Alan Pattee, R-Salinas, who are members of the government organization committee.

The report said the bidding for the track concession, which is one of state government's most valuable lease operations, was "surrounded by conflicts of interest, secret meetings, and unequal treatment of bidders."

The present lease, which expires in 1969, pays the state about $350,000 annually. Proposals for a new 20-year lease would increase this amount materially. The new lease was scheduled to be granted by the 22nd District Agricultural Association, on whose property the track is located.

LAST YEAR the lease was granted to Del Mar Associates, headed by John Allesio, operator of the Caliente Race Track, who was the second highest bidder. At present, there is a legal moratorium on all Del Mar leasing activities.

Lynch's report said:

"The business connections and personal associations of 22nd board member Lewis Lipton may involve a conflict of interest in his board actions on the Del Mar lease.

"THE OPEN meeting provisions of the agricultural code were subverted by the executive committee of the 22nd board in considering the lease.

"There was no equality in the board's treatment of the bidders.

"The board's retention of an officer of one of the bidding groups, Del Mar Associates, as an expert advisor, raises serious ethical and legal situations."

He recommended strengthening the secret meeting law, conflict of interest law, and protections on bidding, as the result of his probe.

THE ATTORNEY GENERAL last year questioned the award to Del Mar Associates as the California Horse Racing Board rules prohibit a bookmaker from being licensed as a race track official in California. Allesio operates a book making establishment in connection with the Caliente track.

The report said Lipton is an officer of the U.S. National Bank, and was hired by C. Arnolt Smith, president of the bank, a business associate of Allesio and father of Carol Smith Shannon, and officer of Del Mar Associates. The bank was the stock escrow holders for Del Mar Associates.

SMITH, THE report says, with no official capacity, took a direct role in attempting to gather material to support the lease award.

The report also said the 22nd district board asked Robin Mansfield, officer of Del Mar Associates, to prepare documents which would support its decision to give the lease to Allesio.

Mansfield's role was concealed from the public and state agencies until Lynch's probe uncovered it.

Also, the board held from 25 to 40 secret meetings regarding the lease, ranging from San Deigo to Sacramento motels and in airplanes, the report said.

LEGALITY OF the meetings was defended on grounds that less than a majority of the board was represented. Further, the report said information and documents were required from San Deigo Turf Club, high bidder for the lease, which were not required from Del Mar Associates.

Ross Residents Deplore Cartoon

Editor, Independent-Journal:

As residents of Ross and of Marin County we wish to deplore the scurrilous cartoon on the editorial page of the paper on Thursday, July 27.

In the first place we find it hard to believe that a reputable American newspaper would allow, in these troubled times, such a portrayal of any section of its own community. There is no humor in depicting any Marin resident as a capitalist straight out of "Pravda."

Secondly, the financial problems of the town of Ross or any other town are no place for humor. The Ross Council is and has been a dedicated group of volunteers who give generously of their time and energy. Apathy among the voting population is not limited to any one area, and everything possible within the town was done to inform its citizens.

The Independent-Journal should try to be more constructive and help the communities it serves, not destroy them. Ross is trying to maintain its standards — a principle that should be acclaimed and reported fairly.

Bare Feet Help Cut Living Cost

Editor, Independent-Journal:

A bumper sticker and/or campaign button saying "Stamp Out Bare Feet" may be occasioned by my need to go "Zap!" when I see them on one end and beard and/or flowing locks on the other. By dint of recalling my early upbringing and later education, I manage to resist temptation.

. . .

Frequently I read and hear that there are among us cheaters who will stoop so low as to falsify records for the sake of a handout from the government. Politicians make political hay out of "welfare chiselers" who go to unending lengths to become indigent so the rest of us taxpayers will have to support them. These same politicians remain strangely silent about income tax chiselers who also go to great lengths to avoid paying at the expense of the rest of the taxpaying public.

The involved procedure (governmental red tape) that has to be undergone to establish need for public "charity," a screening process that is in many cases subject to review by the board of supervisors, makes it difficult to imagine anyone going to the trouble illegally unless the need is dire indeed.

All right. One chisels his way onto the welfare rolls by proving himself indigent to the satisfaction of all concerned, what munificent sums is he allowed? The welfare manual has every item neatly categorized.

Under the Aid to Families with Dependent Children program, milk is measured in "glasses per week" not quarts. A working mother is allowed $3.07 for one hat which has to last for three years, $23 for a coat that has to last three years, 98 cents per pair for four pairs of nylons that have to last for one year, $1.98 for cosmetics to last for two years, something over $7 a pair for shoes for one year, an equally unrealistic sum for shoe repair per year. She gets $4 a year for the repair of household items.

Unsung heroes of our time are Miss Betty Presley, who directs the Marin County Welfare Department, and her staff. Apart from the emotional stamina required for dealing in and alleviating human misery, they must cope with day to day problems such as a sizable percentage of federal money, that has been budgeted, not coming through, so that the county has to bail the department out to the tune of $17,000, causing a budget cut the next time around to offset the deficit. Meanwhile she's still patching that $23 coat!

In government too, every cent has to be squeezed until it screams because so much is expected of it. Cuts in welfare are like cuts in health and education. If the need for these services is not met, up go the costs of our courts, law enforcement, prisons and other institutions to say nothing of administering them. To cut budgets in such vital areas is penny wise and pound foolish.

I happen to be the recipient of a property tax assessment which is 50 per cent higher than last year, but that alone does not arouse my concern.

I started my tirade with bare feet and beards. With what prices are for shoes, shoe repair, shaving equipment and haircuts, I can understand that to many, these may be a very important economic factor.

Fairfax School Tax Opposed

Editor, Independent-Journal:

About two weeks ago, I heard Governor Reagan state that he had provided additional money for the California schools and, for this reason, we could expect a decrease in our taxes. Just to make sure, I waited and listened to the same speech at a later hour — sure enough! I had heard correctly!

Last night's (July 26) Independent-Journal stated our tax rate in Fairfax for schools would be increased 28 cents.

I have found the same article in our neighborhood paper of Wednesday, July 26, in which — I quote — Superintendent H. Reginald Hammond says: "Due to repairs on existing buildings, operating costs for the new White Hill School, and the hiring of a librarian and three new teachers, an increase of 28 cents is necessary." . . .

Now I believe teachers never had it so good. Where else can you get a two-months paid vacation? I should think an educated, careful person would not run it into the ground. Then, I believe there is the sabbatical year we pay for. A year's vacation every seven years. I have heard one teacher refer to his profession as his "racket" — how true.

TRY AND STOP ME

By BENNETT CERF

IN FRONT OF a Wellfleet shop up Cape Cod way, two elderly ladies stopped for a bit of chit-chat. "What's this I hear about somebody dropping dead in Truro yesterday?" asked one. "Yep. Happened right outside my sister Bess' house," replied the other. "Everybody was het up for a while, but it wasn't as bad as we thought.. Just one of the summer visitors.".

A YOUNG LADY who was obviously a chronic overeater turned up at Binswanger Brothers in answer to their ad for a new secretary. "I don't think she'll do," whispered Brother Bernie after a brief interview. "There's too much of her in the first place." Brother Victor added: "That goes for the second place, too!"

Johnson Faced Painful Years Of Rights Disputes, Violence

WASHINGTON (AP)—These have been a painful couple of years for President Johnson. The sun was shining, or he thought so. Then the storm broke and he was standing in the midst of thunder and lightning.

It was just a little over two years ago — in June 1965 — that he told the graduating class of Howard University here: "Our earth is the home of revolution."

IN HIS SPEECH, acknowledging the injustice inflicted on the American Negro for centuries, Johnson said: "Nothing is more freighted with meaning for our own destiny than the revolution of the American Negro."

He did not mean revolution by violence in this country but by progress. He wasn't thinking of violence then.

But this week the loudmouthed leader of a Negro organization, the Student Nonviolent Coordinating Committee, H. Rap Brown said: "We stand on the eve of a black revolution."

Brown had been charged with inciting a riot in Cambridge, Md., where Negroes burned down the center of the Negro section while riots devastated Detroit and swept other cities from coast to coast.

A MONTH after his Howard University talk Johnson pledged himself to a major effort to solve the problems confronting Negroes. "I am going to provide all the leadership I can," he said.

But less than a month after that Negro rioters saturated the Los Angeles section of Watts with killings, burning and looting. This shocked the nation and Johnson, too.

He quickly made another speech, deploring violence, denouncing the Watts upheaval, declaring riots must be exposed and dealt with in the same way as klansmen in sheets and masks.

HE TRIED to find words to describe rioters, white or Negro, but, as it turned out he was a lot more restrained than he was going to be later.

He said at that time: "A rioter with a Molotov cocktail in his hands is not fighting for civil rights any more than a klansman with a sheet on his back and a mask on his face.

"They are both more or less what the law declared them: lawbreakers."

HE SOUNDED a little mournful and very frustrated as he spoke on the heels of the Watts riots and looked back on his years in Congress and the presidency.

"During the past decade," he said, "more of my energy has been spent on protecting and preserving and writing into law, through the legislative halls, the rights of all Americans than I have spent on any single subject or any half-dozen subjects."

And there is no doubt he has done more, and worked harder, on civil rights than any President in history. But all this wasn't enough to stop the disaster shaping up, for in the past two weeks the United States has had the most violent, riotous condition ever.

And Thursday night, a little tougher than in 1965, Johnson addressed the nation again, making a distinction between the rioters and the rest of the Negro community.

"LET THERE be no mistake about it," he said, "the looting, arson, plunder and pillage which have occurred are not part of the civil rights protest. . . . Crime must be dealt with forcefully, swiftly—under law.

"The criminals who committed these acts of violence against the people deserve to be punished. Explanations may be offered but nothing can excuse what they have done."

He called for stern police action, for more legislation to ease the poverty which breeds crime, for tolerance by whites instead of anti-Negro attitudes which might result from the riots.

AND HE set up a commission to study the riots and their causes and to make recommendations for preventing or controlling them.

INSIDE WASHINGTON

U.S. Sending Arms To Israel, Jordan

By ROBERT S. ALLEN and PAUL SCOTT

WASHINGTON — The Johnson administration has resumed supplying military equipment to Israel and Jordan.

Deliveries of spare parts to both nations began this week. Shipments of modern jet aircraft, tanks and trucks will follow within two months.

A joint announcement covering the spare-parts decision is being readied by State Department and Defense Department officials for the White House. It will be issued next week. Nothing will be released about the resumption of the sales and deliveries of the other military equipment until actual shipments begin.

THESE AND other details of President Johnson's Middle East arms decision were revealed to congressional leaders by Undersecretary of State Eugene Rostow, brother of Presidential Assistant Dr. Walt Rostow.

In briefing the Senate-House leaders on U.S. arms sales to Israel and Jordan, Undersecretary Rostow reported:

"The U.S. has no alternative but to resume supplying arms to both Israel and Jordan. The level of Soviet arms sales and gifts has put the U.S. in an appalling dilemma. These Communist arms are in themselves an incitement to war. If they are not countered by U.S. arms, new aggression may occur.

"IN ORDER to be in a position to exert influence on both nations, the President intends to honor the contracts for arms sales made before the recent fighting. This will involve the immediate delivery of spare parts to both Israel and Jordan and later shipments of aircraft, tanks, and other military equipment."

When questioned as to the number of the aircraft involved in these sales, Rostow reported that Israel has contracted for 20 A-4 Skyhawks and is seeking an additional 50 of these planes. Sale of 18 F-104 jets to Jordan has been approved, he stated.

Another key factor in the President's decision to resume arms sales to Israel was the latter government's proposal to the U.S. concerning the Soviet-made SAM-2 ground-to-air missiles captured in the recent Middle East fighting.

ALTHOUGH ROSTOW made no mention of this to the Senate-House leaders, Israeli authorities reportedly have offered to discuss the "sale" of secrets on the operation of these Soviet missiles and their radar systems in exchange for U.S. arms.

In their lightning campaign in the Sinai, Israeli military units overran and captured 14 of these late-model SAMs, including their launchers and radar-computer guidance systems.

Both the U.S. and Russia have been competing for these captured weapons because of their great military significance to the air battle being fought over North Vietnam and to Russia's own missile defense system.

U.S. AUTHORITIES, who so far have been unsuccessful in obtaining one of these late model SAMs, want the information to develop jamming equipment.

Gobbledygook Becoming Rampant Disease At The Civic Center

Gobbledygook, a speech disease, shows its ugly syllables frequently around the Civic Center.

Reports are fat with cluttering phrases and cumbersome words. Meetings take hours because everybody has a boring speech to make. A chat in the bathroom becomes the Lincoln-Douglas debate.

No one can let it all out in a few words anymore.

Someone said the other day that the country spends more money on tape recording equipment and stationery that Howard Hughs does on hotels.

PAY ATTENTION to discussions in public meetings these days. The program does not "continue" anymore, it is an "ongoing" one. Sentences begin with "irregardless." It seems "In viewv of the foregoing" is better than "Considering this."

In the county building code, "story" is defined: "That portion of a building included between the upper surface of any floor and the upper surface of the floor next above, except that the topmost story shall be that portion of a building included between the upper surface of the topmost floor and the ceiling or roof above."

That's 50 words, only two shorter than the preamble to the Constitution.

SAID A REPORT on new San Francisco to Marin crossings: "In keeping with the notion that the substantive solution to the North Bay crossing problem can be solved by stages, the group suggests that the appropriate organizational arrangements may also be worked out in evolutionary fashion."

I'm sold. Build a new bridge.

A 10-page report to the Board of Supervisors began: "You, gentlemen, are charged with the awesome and ofttimes paradoxical responsibility of determining salaries and wages for the employees of the county, which in turn will reflect in the ability to attract and retain the best qualified workers — and a responsibility to the citizens of Marin to provide the quantity and quality of services which they need at the least possible expense."

This says that Marin should pay well to attract good workers to serve the taxpayers properly, which is impossible anyway.

AND, IN A proposal for revising methods of assessing farm lands: "Properties falling within various isochronic or isometric rings will have present worth values reflecting not only topographic and access conditions, but also future development potentials."

Dance? Why I'd love to.

This is why I admired the American Indian Historical Society when they responded to a suggestion recently to protect Indian mounds in the county.

"WE SEE NO NEED for the protection of our people," their letter said.

New Director For Data Center To Be Discussed

Marin County's data processing department, without a director for seven months, may be getting one.

County Administrator Alan Bruce has scheduled a closed session of the Board of Supervisors at 9 a.m. tomorrow to consider several "informal" applications.

The job has been vacant since resignation of Arleigh R. Sewell in January. John L. Gibb has run the department since and was named assistant director, a new position, in May.

The post calls for a pay range of $1,333 and $1,500 monthly.

In regular session tomorrow, supervisors are scheduled to discuss: a slide threat at the Community Mental Health Center construction site, new procedures for granting disability retirement and revised policy broadening the role of the county personnel commission.

Everyone Is Trying To Spoil Bolshevik Anniversary Party

WASHINGTON — The Soviet Union is celebrating the 50th anniversary of the Bolshevik Revolution, but everyone seems to be trying to spoil it for them.

One of the highlights of the year-long celebration was going to be the setting off of a fireworks display in the Middle East this spring.

But Israel refused to go along with the celebration and set off fireworks of its own, thus ruining the Soviet birthday party, which was to have included Arab dancing in the streets of Tel Aviv.

Since then the Soviets have accused the United States of trying to "discredit" their anniversary and the Soviet press claims there is a conspiracy under way to ruin the Soviets' golden birthday.

Even Arthur Schlesinger Jr. got into the act the other day, when he urged Harper and Row to postpone the publication of Svetlana Alliluyeva's book about her father, Josef Stalin, until after Nov. 7, the anniversary of the revolution. Schlesinger thought U.S.-Soviet relations would be dealt a severe blow if Svetlana's memoirs were published before the November ceremonies.

NOW IT'S obvious to everyone that the last thing the United States wants to do is hurt Soviet feelings, particularly since the Soviet Union has been so nice to us in the past few months. So in order to show that there is no conspiracy to ruin their party, a group of us has set up a Bolshevik Golden Anniversary Committee.

The object of the committee is to make sure nothing is done in the United States to offend the sensibilities of the Soviets.

For a start, the committee intends to buy out Harper and Row's interest in Svetlana's book and see that it isn't published at all. If this is not possible, then the committee will buy up every copy and burn them in a giant bonfire in front of the Soviet Embassy on Nov. 6.

THUS THE problem of Svetlana's book will be handled with dignity and dispatch and the spirit of Glassboro will be kept alive.

The committee is also planning to have Arthur Goldberg bake a beautiful birthday cake for Nikolai Federenko, the Soviet delegate to the United Nations, which he will present to the Soviet ambassador at a surprise session of the Security Council.

Plans are under way to hold a giant costume ball at the United Nations where everyone will be urged to "come as you were before the Mideast war started."

THE GRAND PRIZE for the best costume will be two weeks in the Sinai Desert with the Egyptian general of your choice.

Other events that are now in the hopper include a "Miss Lenin of 1967" contest at Atlantic City, a tickertape parade down Wall Street led by the Daughters of the Soviet Revolution, and a "take a Commie to lunch week."

Since setting up the committee, we have had inquiries from Americans in every walk of life asking what they can do to help the Soviets celebrate their anniversary.

FOR A START, we could practice for Nov. 6. All together, now:

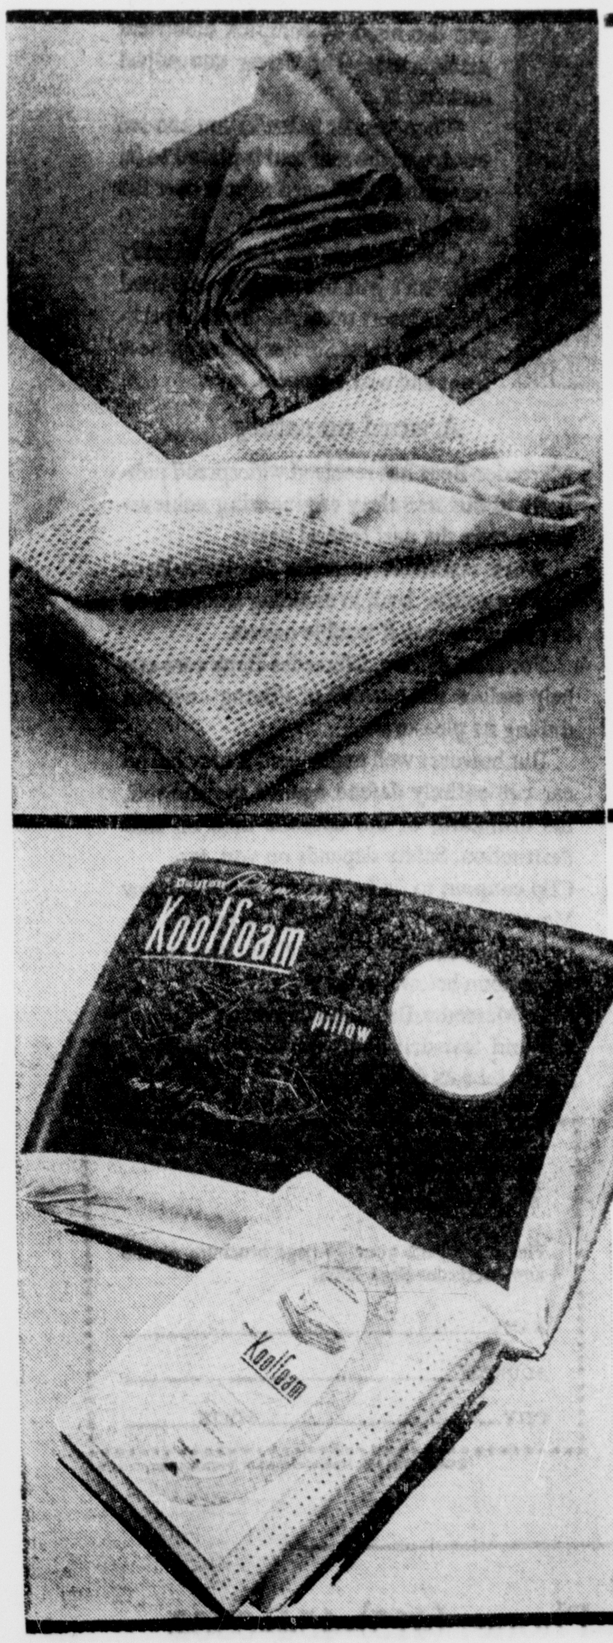

"Happy birthday to you,
"Happy birthday to you,
"Happy birthday, dear Bolsheviks,
"Happy birthday to you."

Johnson A Sphinx On How Much Tax

WASHINGTON (UPI) —President Johnson refused to commit himself today on precisely how much he will ask Congress to raise taxes.

He told a news conference that he and his economic advisers are still studying the amount of increase needed to combat inflationary pressures.

The President noted that the 6 per cent increase in personal and business income taxes he recommended in January is still pending before Congress.

He said again he expects to make some adjustments in the request but declined to say whether the adjustments would be upward. There has been speculation that the increase might be boosted to as much as 10 per cent.

DEFENSE SPENDING

As he held his unscheduled news conference, the Commerce Department issued a report showing that a big increase in aerospace activity in June boosted new factory orders to a seasonally-adjusted $46 billion level —the second highest in history.

The data provides Johnson a talking point for higher taxes because it indicates the prospect of continued inflationary pressures.

Most of Johnson's news conference was devoted to race violence that has hit the nation this summer. He said it would not be allowed to hamper the Vietnam war effort. He also made these points:

Asked whether he planned to cut down on either Vietnam or space expenditures, he said recommendations in both fields had been submitted to Congress some time ago and when the appropriations are passed, these will be reviewed and acted upon accordingly.

DIFFERS WITH THANT

He disagreed with U.N. Secretary General Thant that the war was viewed by the Vietnamese people as the same sort of struggle for freedom as Americans fought for in 1776. Johnson stressed he disagreed with the analogy and not Thant's general views on the world situation. (See story on page 3.)

He shrugged off a recent public opinion poll indicating increasing public opposition to the commitment of additional U. S. troops to Vietnam. And he said such polls do not affect Administration decisions.

Uurged Congress to take speedier action on some Administration proposals which he believes might help the situation in many cities, saying there was urgent need for funding such programs as rent subsidies, model cities and rat control.

Jazz Program Set Tonight At Church

Lagunitas Party Noise Complaint Brings Nine Marijuana Arrests

There was not only the sound of music filling the air when Sheriff's deputies checked out a Lagunitas summer home early yesterday after complaints of loud noise.

Officers said there was also the distinctive scent of marijuana.

They arrested nine men they said were on the premises and booked them into county jail on narcotics charges.

Booked were Milton James Fletcher Jr., 28, of 9 Locust Avenue, Kentfield; Thomas William Martin, 21, and David Roger Harris, 20, both of Lagunitas; James Chester Reza, 22, Michael Vincent Pendas and Paul Louis Fassa, 24, all of San Geronimo; and Daniel E. Mount, 20, of 112 Spruce Road, Michael Todd Francis, 20, of 706 Travis Boulevard and Richard W. Klaes, 20, of 82 Redwood Road, all of Fairfax.

Charged with possession of marijuana and equipment were Fletcher, Martin and Harris. The others, Reza, Pendas, Mount, Francis, Fass and Klaes, were charged with being present in a place where marijuana was being used.

They were to appear in Marin Municipal Court at 1:30 p.m. today.

Deputies said the complaint of loud noise came in at 1:14 a.m. At the house, they found Harris and Martin playing guitars and noticed a stong smell of marijuana. Officers said they saw Mount, Francis, Pendas and Fassa sitting around smoking cigarettes.

A search was made of the house and deputies said they found three narcotic smoking pipes, a number of parcels of "marijuana type substance" and injection equipment. They also found a cigarette believed to be marijuana.

Deputies said that when told they would be arrested, the nine showed no apparent alarm.

A baby, said to be the 19-month-old son of Harris, was taken from the house and put in the care of Harris' mother, Mrs. Charlotte Harris of Lagunitas.

Armed Robbery Trial Scheduled

Jury trial for Peggy Ann Priesman, 26, and Joseph Jarvis, 28, jointly accused of the April 29 armed robbery of the Bottle Shop in Sausalito, today was scheduled on the Marin Superior Court calendar for 10 a.m. tomorrow.

The pair, of San Francisco, also is accused of shooting at Sausalito Police Officer Robert Glynn following the holdup, and with conspiracy to stage the robbery.

They also face trial Aug. 8 for allegedly shooting at a Sausalito resident, Mrs. Nadine Hall of 125 Woodward Avenue, after she refused them admittance to her house following the robbery.

Scouts Arriving For Jamboree

FARRAGUT STATE PARK, Idaho (UPI) — Nearly 6,000 scouts from throughout the world streamed into Farragut State Park during the weekend for the 12th World Boy Scout Jamboree.

The nine-day session gets underway officially tomorrow, but about 1,000 scouts arrived Saturday and another 5,000 moved into this one-time U.S. naval training center yesterday.

About 11,000 youths, representing nearly 90 nations and a multitude of cultures, will attend the Jamboree.

The Mercedes-Benz 250S —the $6500 car that's loaded with engineering instead of status.

The Mercedes-Benz 250S—so carefully built that painting alone takes 16 hours. Clip coupon for more facts.

The 250S is one $6500 car without an ounce of fat. In place of gaudy splendor, you get engineering advances—like 4-wheel disc brakes and fully independent suspension. Result: this taut machine runs circles around those $6500 dream boats. Read more about the Mercedes-Benz 250S—a refreshingly sane car.

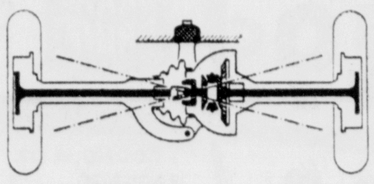

THE Mercedes-Benz 250S comes from a company where engineers still rule the roost. They aim to impress the driver, not the ego. You feel the difference on your first test run—and you'll *keep* feeling it for years.

About that $6500: It includes power steering and brakes, automatic transmission and many other amenities. You can buy a 250S without frills for as low as $5998*.

A driver's car

For your $6500, you get a car endowed with vast margins of performance in every category, from handling to cruising to braking. Safer, more relaxing, and a keen pleasure for those who simply like to *drive*. The 250S is one of the world's few passenger cars that pay as much attention to handling as to riding ease. The secret: all four wheels are separately suspended—a huge improvement over the solid rear axle system still found on most other $6500 cars.

If one rear wheel on the 250S hits a bump or dip, this ingenious rear axle *pivots* in the center. It rides *with* the jolts—both wheels stay firmly planted on the road.

Under the 250S: an advanced rear swing axle.

Car and Driver magazine reports on the uncanny adhesion of the 250S: "It is capable of sustained high speeds on any kind of surface —from the glossy new asphalt at Hockenheim racing circuit to a torturous little dirt road in upstate New York."

Historical note: Mercedes-Benz introduced fully independent, rear swing axle suspension on its passenger cars over 30 years ago. The solid rear axle hangs on today in every domestic passenger car but one.

Automatic leveling

Mercedes-Benz engineered an extra benefit into this suspension: a hydropneumatic load leveler. Add a heavy load to the trunk or rear seat—a self-adjusting unit at the rear axle automatically *pumps up* to keep the car riding level.

Incredible braking

Slamming on the brakes in the 250S draws the car to smooth, quick stops time after time. Its 4-wheel disc brakes virtually eliminate the menace of fading, pulling or rear-wheel lockup. And an ingenious brake power regulator is built into this system, for balanced front and rear braking forces.

Use of 14-inch tires allowed fitting of these bigger brakes. Tires play their part in the car's superb handling and stopping power, too.

And in safety: "The engineers knew how fast their car would go, and what kind of loads it might have to carry, and they specified original-equipment tires that would carry the maximum load at the maximum speed," *Car and Driver* reports.

Is 400-hp necessary?

Fitted up front in the 250S is one of the world's more efficient 6-cylinder engines.

It is no 400-hp fireball. But advanced single overhead camshaft design and virtual hand assembly let it purr along at 90 mph all day if asked (and if legal, of course). A 7-main-bearing crankshaft and meticulous balancing of all components keep noise and vibration to a subdued minimum.

Every 250S engine is bench tested before installation, for more than *60 minutes*. Too much noise during this gruelling test and the engine is torn down and rebuilt. Mercedes-Benz finds the lemons—not you.

How to squelch rattles

"We were generally agreed that this was one of the tightest bodies we have ever tested," says *Car and Driver*. Some reasons: unit construction with welding at 10,000 points—and none of the rattles found in bolted-up bodies; 16 different gauges of sheet metal throughout the body, some up to one millimeter in thickness; rubber-mounted engine and running gear to damp out road rumble.

For future reference: Under two coats of enamel on this body are 24 pounds of primer. Under the primer, zinc caulking at vital points. And under the car itself, 24 pounds of permanent plasticized undercoating. Five years hence when the car still looks new, you'll know why.

Less is more

A measuring tape shows the 250S to be almost two feet *shorter* overall than domestic $6500 cars. But step inside: there's more headroom than a Lincoln, more rear seat hip-room than the newest Rolls-Royce, and plentiful space for five.

Mercedes-Benz motor cars: from $25,785* to $4,189*

You may be able to afford a Mercedes-Benz without knowing it. Below are suggested retail prices* for 7 of the 15 Mercedes-Benz models:

600 Grand Mercedes	$25,785
300 SE Coupe	11,916
250SL Roadster	6,586
230S Sedan	5,018
230 Sedan	4,386
200 Diesel Sedan	4,418
200 Sedan	4,189

**West Coast port of entry, exclusive of transportation charges, options, state and local taxes if any.*

Individual front seats are deeply contoured and *firmly* padded. They slide back and forth and recline without the need of complex electrical mechanisms. The driver can adjust seat *height*.

When you sit in back, you can see out front; the rear seat is placed so its occupants don't need to peer over the shoulders of those ahead.

Chrome trim on the 250S body sides isn't just ornamental. A raised rubber insert takes the brunt of parking lot scrapes. Similar inserts protect front and rear bumpers.

A word on safety

Mercedes-Benz has received widespread publicity about its safety engineering achievements over the past several years.

Work continues to make Mercedes-Benz cars even safer, both in avoiding trouble, and in protecting you if trouble occurs.

For sane drivers, Mercedes-Benz cars can help reduce the hazards of driving—without dulling its pleasures.

But however well engineered it may be, no car can entirely defend against the showoff, the drunkard, or the neurotic bent on self-destruction. Safety depends on you, too.

Elisabeth Lynne Helig Bride Of John Ridley At Hamilton

John Haddon Ridley of San Francisco claimed Elisabeth Lynne Helig of San Rafael as his bride in a ceremony on Saturday at the Hamilton Air Force Base chapel.

Parents of the bride are Maj. and Mrs. Edward B. Heilig of San Rafael.

For her wedding the bride wore a gown of candlelight peau de soie accented with appliqued Brussels lace.

Mrs. Alice Taggart of Chico was matron of honor. She wore a gown of yellow chiffon over gold taffeta. Bridesmaids, Sheila Riley of Pt. Reyes, Marcia Mayers and Karen Freitas of San Rafael wore gowns of yellow chiffon.

Darlene Taylor of Sacramento was flower girl and Warren Taylor, ringbearer.

Anthony Angel of Vancouver, B.C., served the bridegroom as best man and ushering were Gary and Robert Taylor of Sacramento, the bride's brothers, and Duane Carruth of Bryte.

A reception followed at the Hamilton Officers' Club.

The bride was graduated from Terra Linda High School and College of Marin.

The bridegroom, son of the late Frank Ridley and Mrs. Ridley of Bexleyheath, Kent, England, was graduated from Burrough Polytechnic in Kent, England. He is employed at the University of California Medical Center. Mrs. Thomas Yarrow of Kent, England is his sister.

Following a wedding trip to La Jolla, the couple will reside in San Francisco.

Too Much Milk Can Harm Baby

ANN ARBOR, Mich. (WMNS)—Children who drink too much milk—more than a quart a day—may not have an appetite for such iron-rich foods as cereal, meat and eggs, and may develop nutritional anemia. This warning was sounded recently by Dr. Patricia A. O'Connor, of the University of Michigan Medical Center.

As a rule, says the physician, babies should start receiving iron-enriched cereals when they start taking a full quart of milk a day, usually at two or three months of age. Thereafter, milk intake should be limited to one quart a day.

Lang-Irwin Vows Are Exchanged

Nancy Jane Lang of San Rafael became the bride of William Arthur Lang Jr. of San Francisco in the chapel at Ft. Benning, Ga., on July 8.

For the ceremony performed at 9 a.m., Nancy wore a gown of white satin with Chantilly lace jacket and train. Her matron of honor, Mrs. Charles Yancey of Ft. Benning, Ga., wore a pale green gown.

Charles Yancey served as best man.

Nancy, the daughter of Mr. and Mrs. Kenneth Irwin of San Rafael, was employed with Thrifty Drugs and Robbins Collection Agency. She is the sister of Suzanne Irwin of San Anselmo.

The bridegroom is the son of Mr. and Mrs. William A. Lang of San Francisco. He attended San Francisco City College and is the brother of Mrs. James Linneman of San Carlos. Mrs. Alec Parry of San Francisco is his grandmother.

The couple will make their home in Columbus, Ga., where the bridegroom will graduate from Officers' Candidate School at Ft. Benning next month. (Aug.)

DRESSED FOR A LUAU

While committee members talk over the luau to be given at the Tiburon Peninsula Club on Saturday, young Billy Federighi looks on in wonder at the island outfits. From left are Mesdames K. H. Blacker, Richard Friedman, Robert Imel and George Federighi. Mrs. Robert Morehead is chairman for the evening. Hawaiian dancers will entertain and a cocktail hour at 7 p.m. will precede the luau.

Russell Dowd Claims Bride In Palo Alto

In a garden wedding held on Saturday at the Palo Alto home of Mrs. Thomas T. Whitson, Kathleen McCarty of Seattle became the bride of Russell S. Dowd of Kentfield.

Kathleen, the daughter of Mr. and Mrs. Leonard C. McCarty, wore a full-length gown of cream colored linen for the ceremony performed by the Rev. Michael Young.

Her sister, Molly McCarty of Seattle, wore an A-line gown in yellow Italian silk as maid of honor. Her other sister, Bonnie, and the bridegroom's sister, Bonnie Dowd of Kentfield, wore similar dresses as bridesmaids at the 5 p.m. rite.

Roger Dowd of Kentfield served as his brother's best man, with Joe Persico of San Francisco and Joel Primes of Redwood City ushering.

Following the garden reception, the couple left for a honeymoon in Carmel.

Kathy and Russ, who met while serving as teachers in the Peace Corps in Sierra Leone, West Africa, will make their home in the Bay Area.

The bride was graduated from Queen Anne School in Seattle and University of Washington. Russ, the son of Mr. and Mrs. Mervyn Dowd of Kentfield, is a graduate of Redwood High School and San Francisco State College. Mesdames Sybil Dowd and Henry Friedman of San Francisco are his grandmothers.

FAMOUS BRANDS

Best Canned Food Buys May Not Depend On Price

UNIVERSITY PARK, Pa. (UPI)—A Pennsylvania State University consumer economics specialist says the best buy in canned foods cannot always depend on price alone.

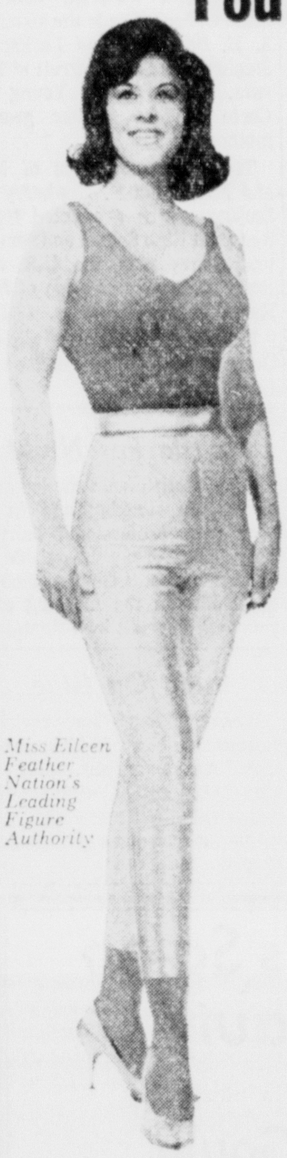

Harold E. Neigh suggests to buy according to intended use. It makes little sense to pay fancy prices for premium canned tomatoes for spaghetti sauce. The same applies to fancy fruit cocktail destined for a molded salad.

A brand label almost always means a consistent quality. The quality may be high or low but seldom changes, he said.

Neigh suggested trying various brand names and letting the family decide which it prefers. He also suggests buying the can size that fits the need.

Buying too much can result in waste. Buying too little can result in unsatisfied appetities.

MR. AND MRS. PHILLIP D. DONALDSON
(Faulkner photo)

Pamela Hall Weds Phillip Donaldson

St. Isabella's Catholic Church in Terra Linda was the locale for the wedding on July 22 of Pamela Kathleen Hall of San Rafael and Philip Dean Donaldson of San Rafael.

The bride is the daughter of Mr. and Mrs. William R. Hall of San Rafael.

For her wedding the bride wore a gown of re-embroidered Chantilly lace over peau de soie.

Mrs. William Shannon, as matron of honor for her sister, wore a Nile green sheath gown of silk crepe organza. Bridesmaids were Mesdames Kenneth Lipparelli, George Barney and Victoria Verzuh. They chose Nile Green silk organza over taffeta gowns.

Kenneth Lipparelli was best man and ushering were William Hall, the bride's brother; George Barney and William Shannon.

A reception followed the ceremony at the Oak View Club in Terra Linda.

The bride was graduated from Terra Linda High School.

The bridegroom, son of Mr. and Mrs. George R. Donaldson of San Rafael, was also graduated from Terra Linda High and is employed by the County of Marin. He is the brother of David Donaldson, serving with the armed forces in Germany.

Following a Carmel wedding trip, the newlyweds will reside in San Rafael.

Sheila Barrett Of Novato Bride Of Jack C. Newberry

In a Saturday ceremony at Novato's Our Lady of Loretto Church, Sheila Barrett of Novato became the bride of Jack C. Newberry of Corte Madera.

The bride is the daughter of Mr. and Mrs. S. H. Barrett of Novato.

For her wedding the bride wore an Empire gown of white linen pique with a cathedral train.

Preceding the bride to the altar in gowns of aqua linen were Marie Hutchinson of Rohnert Park, maid of honor, and bridesmaids, Mrs. Dennis Gerbich of Novato and Susie Newberry of Larkspur, the bridegroom's sister.

Richard Newberry of Larkspur was best man for his brother, and ushering were Nino Geminiani of Corte Madera and Charles Emerick of San Rafael.

A reception followed the ceremony at Cloud 5 Restaurant in Novato.

The new Mrs. Newberry was graduated from Novato High School and attended Sonoma State College. She is the sister of S. H. Barrett Jr. of Larkspur, Stephen and Scott Barrett of Novato. Mrs. Sarah Young of Corte Madera is her grandmother.

The bridegroom, son of Mr. and Mrs. John B. Newberry of Larkspur, was graduated from Redwood High School and served four years with the U.S. Air Force. Mrs. Jack Fulton of San Rafael is also his sister.

Following a wedding trip to Oregon, the couple will live in Larkspur.

Use Gadgets For More Drying Space

NEW YORK (UPI)—To create drying space where none existed before, improvise with articles available around any household, or by using inexpensive drip-dry gadgets.

For example, place a yardstick or curtain rod cater-corner across a curved shower rod, and use it to suspend any number of articles from hangers to drip into the tub. This prevents a bathroom jungle of wet wash —and to close out that scene even more, draw the shower curtain around the laundry.

No Streaking

A cup of salt in the rinse water will keep bluing from streaking cottons.

Hairdo For Night

Cut a section from the top of a torn nylon stocking and fit it over your professional hairdo. Then lightly spray the outside of the nylon "net." Gently remove the holder in the morning and your hairdo won't look slept on.

Swab On Glue

When making a scrapbook of stamps, butterflies, coins, matchbooks or menus, apply the glue with cotton swabs. The disposable applicators allow you to dab on just the right amount of glue.

College Freshman Will Find Everything Depends On Him

By DAVID NYDICK
UPI Education Specialist

The summer vacation is half over. Many students are on the verge of entering college for the first time in September. It should be a successful and valuable experience. The college freshman will have to make some adjustments in order to orient himself.

FIRST AND most important, he will find himself increasingly responsible for his own education. He will be treated as a mature individual. Advice and consultation will be available but he will not be led along each step of the way. Questions will be invited. If problems exist, the student must seek the available assistance.

There will be a great deal of independent study. Required reading will be far more extensive than in high school. Additional suggested reading will be most important. The student will only get as much from his studies as the effort which he puts forth.

THE BUDGETING of time will be the student's responsibility. It has been estimated that one hour of class time should be backed up with two hours of outside studies. There will be many ways for the student to pursue his personal interests. No student should plan to participate in so many activities that his studies will be neglected. Remember that there are just so many hours in a day. During the early years in college, it might be better to overplan time for studies since this is the most important activity. Other activities can always be added if time permits.

The method of teaching in college may be quite different. College classes may be as large as two or three hundred for lectures. Instructors often assign one or more books for the term. Sometimes these are not referred to until the midterm exams. A research paper may be required.

Bagley's Housing Bill Last Major Item For Lawmakers

SACRAMENTO (UPI) — The legislature, relieved of the necessity of talking about taxes for the first time this year, today began what most members hope will be the last week of the 1967 session.

The lawmakers were exhausted — emptionally and politically —after a long and bitter struggle that preceeded passage of Gov. Ronald Reagan's $943.3 million tax increase.

FRIDAY GOAL

Legislative leaders hope to wrap up the loose ends of the session this week and adjourn Friday.

The most controversial legislation still to be acted upon would water down the Rumford open housing act in an effort to dilute public opposition to the statute.

The bill, sponsored by Assemblyman William T. Bagley, R-San Rafael, was awaiting action in the Assembly ways and means committee. It was approved last week by the governmental efficiency and economy committee.

BAGLEY'S PLAN

Bagley's plan would exempt single family dwellings and small apartment houses from the Rumford act's prohibition against racial discrimination.

But it would forbid discrmimination by any individual who rents or sells more than five units of housing at a time. It specifically would prohibit real estate agents from discriminating even if their clients order them to do so.

DUAL CRITICISMS

Civil rights leaders said the bill would destroy the Rumford act as a symbol of the state's commitment to racial equality. Opponents of open housing, who advocate outright repeal of the Rumford act, contend the Bagley bill is little better than the present law.

The voters wiped the Rumford act off the books when they passed proposition 14 in 1964 by a 2-1 margin. But the initiative was ruled unconstitutional.

Bagley's plan was amended into a bill by Sen. Hugh M. Burns, D - Fresno, which would have repealed the Rumford act. The Burns bill was passed by the Senate in April.

If the Assembly passes the bill, it would be returned to the Senate on what would amount to a take-it-or-leave-it basis. The Senate could accept the Assembly version and send it to the governor for signature or the upper house could reject the Assembly proposal and send the bill to a Senate-Assembly conference committee where it probably would die.

REALTY DRIVE

The California Real Estate Association a backer of proposition 14, has warned there will be another initiative drive unless the legislature repeals the Rumford act. But Bagley said his bill would take the steam out of an initiative campaign.

The legislature also must act on legislation to increase state aid to the public schools by $145 million this year. The tax bill signed by Reagan Saturday earmarked that sum for school aid. If the money is not appropriated by the legislature, the sales tax will be reduced from 5 to 4½ cents on Dec. 1.

Assembly Speaker Jesse M. Unruh, D - Inglewood, and Sen. George Miller Jr., D-Martinez, both introduced school aid packages. The two proposals probably will be melded into a single package.

TAX RELIEF

The tax bill also earmarks $300 million for combined school aid and direct property tax relief in the fiscal year that begins July 1, 1968.

The final version of the tax bill reflected an agreement between Reagan and Unruh. The governor and the speaker had to use all of their political power to get it through the balky Senate and Assembly Friday.

Sen. Alfred Alquist, D - San Jose, cast the swing vote in the Senate which sent the bill to the governor for signature.

Alquist may have received in exchange a promise of Republican support for his bill to convert California's presidential primary into an Oregon - style free-for-all.

Reagan opposes the Alquist bill and it failed earlier this month when Republicans voted as a bloc against it. The bill needs at least one Republican vote to pass. Reagan and the GOP central committee both oppose the measure.

Bipartisan Plan Drafted To Battle Unemployment

SACRAMENTO (UPI) — Lt. Gov. Robert H. Finch and Assembly Speaker Jesse M. Unruh have disclosed plans for a "first of its kind" effort designed to solve job and other problems of the hard-core unemployed.

The Republican lieutenant governor and Unruh, D - Inglewood, during the weekend announced formation of the Opportunity Enterprise (OPEN) Corp. to operate the project.

They said the non-profit corporation "will offer a new flexible, nongovernmental approach to the problem of poverty."

Plans for the corporation, they said, were developed in consultation with representatives of private industry foundations, the office of economic opportunity and legislative staffs.

The corporation will plan projects to be carried out by business and industrial firms, paid for by grants from public and private sources.

Finch and Unruh said such a demonstration approach "offers a modest chance to reevaluate the goals and operation of our many job training programs."

They said these activities can be started during the first 18 months OPEN is in operation.

An employability center in which business and industry manage an employment agency for the poor.

A skill training center where there is industrial operation of a basic education and training program.

An experimental opportunity center which offers new approaches to handling welfare problems.

An industrial incentive job placement program to provide incentives for placing the hard-core unemployed into long-term jobs.

Computer program using electronic brains to match jobs with persons and to catalog skills and community resources.

New cars are usually driven faster than old cars, points out the National Automobile Club.

Anti-War Groups Sets Draft Law Discussion

Vietnam Summer - Marin will hold a meeting to discuss "The New Draft Law: What It Means to You and Your Family," at 8 p.m., Wednesday, in the Mill Valley City Hall council chambers.

Provisions of the law, which became effective July 1, will be discussed by Norman Leonard, National Lawyer's Guild attorney. Ben Seaver, Radio KPFA commentator and head of the Peace Education Office, American Friends Service Committee, will talk on draft history and its relation to present American foreign policy.

Marin Housing Authority To Meet In Tiburon

Marin County Housing Authority will meet at 7:30 p.m. tomorrow at Reed School in Tiburon, instead of in Marin City as announced by Donald O. Stutzman, executive director.

First item will be discussion of the permanent use of the Hilarita housing site adjacent to Reed School.

Reed School District wants to buy six acres of Hilarita land to expand the school. Tiburon Parks and Recreation Commission is urging the city council to establish a park on the remaining property. The possibility of housing development on the land has been considered as recently as the July 11 meeting of the Tiburon Council.

Blood Search Proves Failure

Sheriff's deputies Thursday checked around Marin hospitals without success for a thief who may have received treatment for a severe cut to his arm.

Blood was found near a broken window of a grocery store at 300 Olema Road, Fairfax, after owner Hoyt Allen Murphy reported items stolen including 220 cartons of cigarettes and 40 cases of beer. Deputies took fingerprints and blood samples.

PLAYING IT COOL ON A HOT AFTERNOON

Seventh Fatal Knifing Of '67 At San Quentin

A 28-year-old San Quentin inmate was stabbed to death shortly before 9 a.m. today in the east wing cell block in the second of two knifings at the prison this morning.

James M. Cooms, 28, serving six months to 15 years for second degree burglary, was pronounced dead on arrival at 8:10 a.m. in the prison hospital from wounds in the back and chest. It was the seventh stabbing fatality this year.

Associate Warden James W. L. Park said a correctional officer saw Cooms fall and another inmate run away but did not see a fight take place. He said the area was immediately sealedoff but no knife or suspect had been found.

Cooms, convicted in San Diego County in 1959, had been paroled and returned for violations twice, the last time in January, 1966.

At 7:45 a.m., Alvan L. Perry, 28, who had been transferred to San Quentin Friday from the California Institution for Men at Chino, Los Angeles County, walked into the prison hospital with a stab would in the back.

Perry, who had been transferred for "lack of adjustment" at Chino following a 1966 burglary conviciton, was in fair condition att he hospital, Park said, but could not be questioned for details.

Park said prison officials are questioning one suspect in the Cooms killing and two in the Perry Stabbing but added he does not "see any connection between the two incidents at all.

Hub Council Will Consider Citizen Ideas

The San Anselmo City Council will have a special meeting tomorrow at 8 p.m. at city hall to review the recomnendations of the San Anselmo Town Meeting to the council.

The recommendations are that the city have a professional traffic circulator study made, that the street maintenance program be upgraded, that alternative routes for Highway 17 be studied, that salaries for councilmen be put on the ballot in April, that Sorich Ranch be opened, that a bond issue be placed on the April ballot to finance park and recreation development and that school and city elections be held at the same time.

The town meeting also recommended that urban renewal be studied, that San Anselmo hire a full-time city manager and that the city study consolidation of the city's fire department with departments in surrounding areas.

Theft Discovered

Theft of a camera, binoculars and television set worth $190 was reported yesterday to police by Charles P. Black Jr., 141 Girard Avenue, Sausalito. They apparently were stolen July 7 when he moved to his residence, he reported, but at first were thought to be misplaced.

Water-Sand Case Won By District

A four-yearl-old gravel excavation suit of great concern to water districts throughout the state has been decided in favor of Marin Minicipal Water District by the Supreme Court.

The court's decision reversed a ruling by the District Court of Appeals in San Francisco last December and held that no water rights of the plaintiffs had been violated by MMWD, according to Ronald D. Schenck, attorney for the water district.

Water districts throughout California were concerned that a ruling adverse to MMWD would greatly increase the cost of water projects if water rights were extended to include deposits carried in water.

The suit against MMWD was first filed in 1963 by Joslin Brothers, operators of a gravel plant on Paper Mill Creek below Nicasio Dam, claiming construction of the dam there had slowed the creek's flow past the plant and thus reduced the amount of available rock, gravel, and sand.

In 1963, Marin Superior Court dismissed the suit by Joslin Brothers, operators of the gravel plant, who then won an appeal in the district court. The appeals court ruled the "benefits and interference with such a right requires compensation."

In reversing this ruling, the State Supreme Court decided that the company's use was not a reasonable one under the state constitution. "In other words," said Schenck, "the full flow of water in a stream for the purpose of carrying gravel to a downstream riparian owner is not a reasonable use of water."

Fishing Gear Taken

A burglar who pried open a rear door lock stole $473 worth of fishing equipment from a boat owned by Ray M. Biagini at Berth 111, Sausalito Yacht Harbor, police reported. The equipment was stolen between Wednesday and yesterday, Biagini said.

Man Burned In Garage Fire

A Kentfield man was hospitalized with burns from a fire in a Corte Madera garage Saturday at 9:55 p.m., according to Corte Madera police.

Theodore Victorino, 22, of 991 Sir Francis Drake Boulevard, Kentfield, was reported in good condition today at Marin General Hospital with burned hands. He was working on a car in the garage of Mrs. Emma J. Chain, 5 Pepper Street, Corte Madera, when the extension cord on an electrict light broke and set fire to contents of the garage.

Victorino's clothes caught fire, but he extinguished the fire by rolling on the grass. Firemen had no estimate on damage to the contents of the garage.

Coroner Seeks Ignacio Man's Death Cause

The exact cause of death of an Ignacio insurance salesman was puzzling the Marin County coroner's office today.

James P. Cavanaugh, 31, who was reported to have suffered a severe case of food poisoning 10 days ago, was found dead on the floor of his home at 461 Alameda del Prado Saturday.

Although signs indicated an apparent heart attack, Asst. Coroner Eugene R. Fontaine ordered an autopsy.

Mrs. Gladys C. Cavanaugh, who is expecting a child, said she left the house at 9:30 a.m. for a doctor's appointment and her husband was apparently in good health, lying on the living room couch.

When she returned about 11 a.m., she found him on the floor. A doctor was called and Cavanaugh was pronounced dead at the scene.

Mrs. Cavanaugh said her husband had visited the Fresno area about 10 days ago and apparently ate tainted food. He developed food poisoning.

He was unconscious part of the time and was so weak he was unable to leave his bed, she said. He lost 10 pounds in a day and complained of a sore throat. The roof of his mouth hurt whenever he ate, he said, and he gave up smoking for a week.

Mrs. Cavanaugh said her husband was apparently recovering from his illness.

Cities Vie For Land In Annexation Plans

The cities of Larkspur and Corte Madera have both submitted plans to the Local Agency Formation Commission to include the area between Highway 101 and Point San Quentin, including the prison, in their ultimate boundaries.

The Larkspur City Council will discuss its intention eventually to annex the area Wednesday at 8 p.m. at city hall The council will also consider whether the city's present boundary along Corte Madera Creek will need to be realigned following the Corte Madera Flood Control Project.

The council will review the status of the flood control project and project taxes. The council has indicated several times that if tax cost became too high, the city would withdraw its support for the project.

Public hearings will be held on rezoning of property of Councilman Neil R. Brixon at 30 La Cuesta Drive and part of Redwood High School, both recently annexed to the city, from unclassified zoning to residential.

The council will consider the need for a survey of the Magnolia Avenue sewer line, and will discuss budgeting funds for widening of Redwood Avenue and Oak Road.

The appointment of a fire lieutenant will be considered, and the council will act on resolutions confirming the salary increases, from 2.5 per cent to 10 per cent, granted to city employees at the last regular council meeting.

Police Beat Firemen 4-2

Sausalito policemen yesterday overpowered their firemen brothers 4-2 in a baseball game to benefit the "sister city" program.

The game raised $14 for the program with Sausalito's sister city, Vina Del Mar, Chile.

Fire Chief Charles E. Masten blamed the loss on "a comedy of errors," but Police Chief Edward S. Kreins modestly credited his department's win with "superiority in all nine positions."

Firemen won both bouts last year, but have been winless both times this year since the police acquired their chief, who played AA softball for 15 years in Hayward.

Prize for victory was the "Krein" towel, created by Fire Capt. Ralph (Swede) Petersen in honor of the police chief.

Swimmer Dies In Ross Pool

Theodore L. Zeiss, 49, of Ross apparently drowned in the swimming pool at his home on 11 Olive Avenue yesterday, reported Deputy Coroner Keith Craig today.

He said Zeiss' wife, Grace, found him on the bottom of the deep end of the pool at 5:30 p.m. She had last seen him floating on an inflatable raft at 1:30 p.m. Her husband was not a strong swimmer, Mrs. Zeiss told the coroner's office.

He was a rate specialist with the Southern Pacific Railroad and had lived in Marin County 20 years.

Funeral arrangements are pending an autopsy at Keaton's Mortuary, San Rafael.

Larkspur School Public Budget Hearing Set

Larkspur School District board will have a public hearing on the district's $1,451,249 budget for fiscal 1968 Thursday at 7:30 p.m. at the district office.

An 11 cent decrease is expected in the district tax rate, from $3.58 per $100 assessed valuation last year to $3.47 this year. Last year's budget totaled $1,384,013, and income from property taxes totaled $913,929. Income from property taxes in fiscal 1968 is expected to rise to $981,515.

The board will hear reports on summer school and on the district's insurance program for employees.

Resisting Arrest Is Charged To Two Youths

Two Marin City youths were booked at Marin County Jail yesterday on charges of resisting arrest and assault after their car was stopped in a routine traffic check at 2:10 a.m. in the 400 block of Drake Avenue.

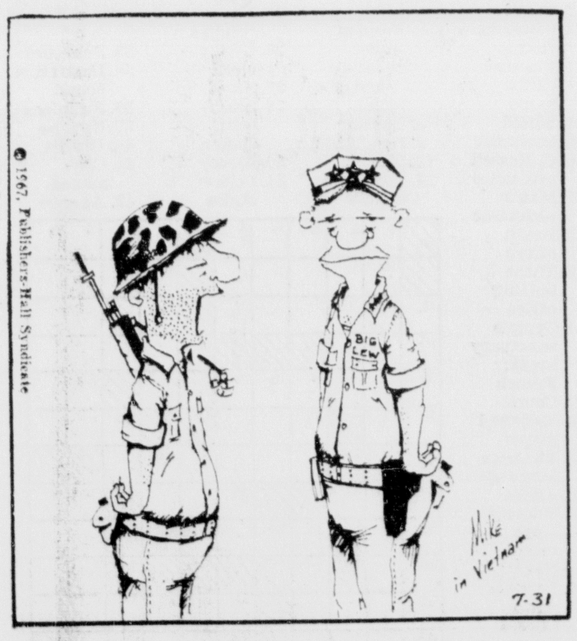

Booked were Toney Eugene Black, 19, of 913 Drake Avenue and Jonnie Earl Harris Jr., 19, of 347 Drake Avenue. Bail for Harris, also booked for disturbing the peace, was set at $770. Bail for Black was set at $600.

Both were still in jail today, and were to appear at 1:30 p.m. in Marin Municipal Court.

Police reported that the two started a fight with two sheriff's deputies when the officers stopped their car. A third officer helped subdue the youths. A few persons gathered and watched fracas, but made no attempt to interfere, police said.

Black suffered a cut forehead and was treated at Marin General Hospital before he was taken to county jail.

Democrats To Give Party For John Burton

Marin County Democratic organizations will combine forces to honor Assemblyman John Burton, D-San Francisco, at a cocktail party Friday from 6 to 8 p.m. at the San Rafael Improvement Club, Fifth Avenue and H Street.

Burton is vying for state senate in the coming San Francisco special election against Judge Milton Marks, R-San Francisco.

Special guests at the Burton party will be senators George Moscone of San Francisco and Anthony C. Beilenson of Los Angeles.

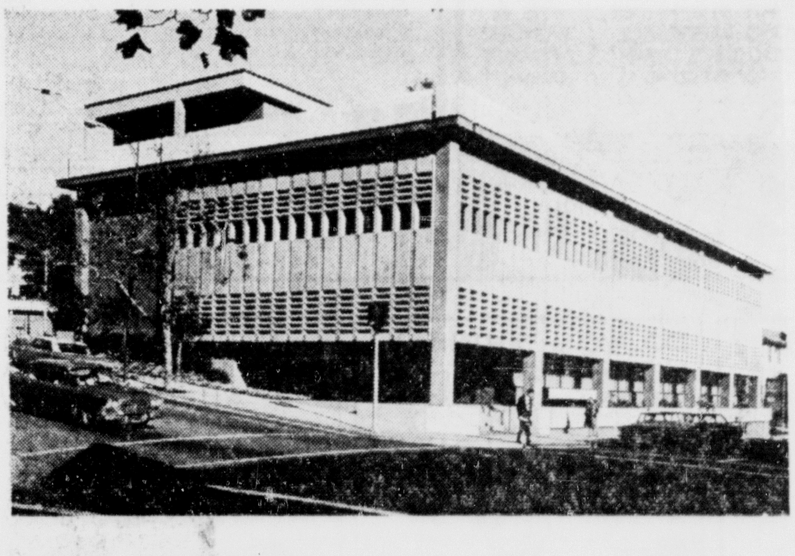

Mrs. Troy Lewis of San Rafael is general chairman of the party.

Today is Monday, July 31, the 212th day of 1967 with 153 to follow.

The moon is between its last quarter and new phase. The morning stars are Saturn and Mercury. The evening stars are Mars and Venus.

Born on this day in 1803 was John Ericsson, the Swedish designer of the vessel "Monitor" of civil war fame.

On this day in history:

In 1792, the director of the mint, David Rittenhouse, laid the cornerstone of a building in Philadelphia for the mint . . . The first structure of the U.S. government.

In 1940, Adolf Hitler banned the practicing of Christian Science in Germany.

In 1943, the French Committee of Liberation appointed Gen. Charles de Gaulle chairman of the Committee of National Defense.

In 1953, Senate majority leader Robert Taft of Ohio died in New York City.

A thought for the day — Austrian writer Baroness Bertha von Suttner once said: "After the verb 'to love,' 'to help' is the most beautiful verb in the world."

WINNING BRIDGE

By ALFRED SHEINWOLD

If Opponent Says He Has High Club, Take The Story To Bank

If a stranger wants to borrow a thousand dollars and tells you that he will pay it back the next week, you naturally give him the money and pass his story on to your bank manager.

And if a bridge opponent tells you that he has a high club, you can take his story to the bank and get the same reception.

FIRST TRICK

South took the first trick with the jack of spades and ran the four diamonds.

West saw 21 high-card points in the dummy and one point in his own hand.

This meant that South and West held 18 points between them.

If South had all 18, he would discard a heart from dummy on the fourth diamnod and claim the rest of the tricks.

SOUTH DISCARD

When South actually discarded a spade from dummy, East knew that his partner had one of the missing queens.

If West had the queen of hearts, South would have trouble whatever East did. If West had the queen of clubs, however, only desperate measures could stop the grand slam.

As East came to this conclusion he remenbered that South was a gentleman and a very trusting soul. So East discarded the eight of clubs, "showing" club strength.

FATALISTIC DECLARER

South greeted the club signal with a fatalistic shrug. "Finesses never work for me," he grumbled.

South next cashed the king and queen of hearts and brightened up when East dropped the 10 and the jack.

It seemed obvious to South that East had started with only two hearts and that West still had the 9-7 of hearts. South therefore led his last heart and tried a finesse with dummy's eight.

East searched around in his hand and finally found the nine of hearts to defeat the contract. "Imagine my surprise," East remarked. "I'd forgotten I had this card."

What do you say?

ANSWER: Bid two notrump.

In theory, you need 22 points for this bid, and this hand counts to only 21 points, but in practice you should open two notrump on any 21-point hand with strength in all four suits. It is just too difficult to bid such a hand in any other sensible way.

A MAN AND A WOMAN . . .

And a couple of kids can live quite nicely in this well-built residence on one of Greenbrae's most convenient streets—close to school, bus and shopping. Three bedrooms, 2 baths, living room with used brick fireplace and grasscloth walls, here and in the dining ell—all framed by attractive landscaping and a view of the mountain. Piece de resistance: the garden room, enclosed by screens, located off the living room and dreamy for candlelit dinners—a deux or for a crowd.

$36,500

PERFECT PRIVACY . . .

On your own half acre, studded with specimen trees and close to schools, shopping and transportation. The 3-bedroom, 1½-bath house has been newly decorated with quality carpeting, draperies and wallpapers, and the gleaming kitchen has been outfitted with an up-to-the-minute stove. An unfinished basement has room for storage, shop, playroom, and/or wine cellar, and the fenced and sprinklered yard with roofed patio lends itself to all recreational activities.

PROJECT NO. 861
GREENHILL ROAD AA-6
MARIN COUNTY DEPARTMENT OF PUBLIC WORKS SAN RAFAEL, CALIFORNIA NOTICE TO CONTRACTORS

Sealed Proposals will be received by the Clerk of the Board of Supervisors of the County of Marin, State of California, until 10:00 A.M., Aug. 14th, 1967, for: Construction of a reinforced concrete retaining wall for slide prevention including special surface finish, colored concrete, embankment construction and other miscellaneous work. The project is located in the Mill Valley area adjacent to Greenhill Road, approximately 0.4 miles Northeast of State Highway #1.

The work shall be done in accordance with official plans and specifications prepared in reference thereto which may be seen at the office of the Department of Public Works, County of Marin. Request for forms or information shall be addressed to the Department of Public Works, County of Marin, Civic Center, San Rafael, California.

Plans, Specifications (but not including Standard Specifications or other documents included by reference), and Proposal Forms may be obtained by prospective bidders upon payment of a deposit of Ten Dollars ($10.00) cash or check made payable to the Department of Public Works, County of Marin, to guarantee safe return of the plans and specifications within ten (10) days after bid opening. Failure to so return the plans and specifications will cause forfeiture of the deposit to the County.

All bids must be submitted on the Proposal Form obtained from the Director of Public Works and shall be accompanied by a Proposal Guaranty of at least ten percent (10%) of the bid. Guaranties shall be in the form of a certified or Cashier's Check or a Bidder's Bond. Failure of the successful bidder to execute and return the contract, or to file acceptable bond, as required, within the time allotted shall be cause for the annulment of the award and the forfeiture of the Proposal Guaranty. All guaranties not so retained by the County shall be returned to the bidders within fifteen (15) days after the award of the contract.

Proposals shall be filed with George H. Gnoss, Clerk of the Board of Supervisors, Civic Center, San Rafael, California.

For securing plans and specifications, please refer to Paragraph 4 above.

Said proposals will be opened and read at 10:00 a.m., in Room No. 343, Marin County Civic Center, on the day specified above for receiving bids. Only the total amount bid will be read and not specific items going to make up said total unless written request for reading of each sub-total and individual items of the bid is requested in writing at the time of the submission of proposals. Bidders will be at liberty to inspect and review bids in the Office of the Director of Public Works to which they will be removed for the purpose of checking after the opening and reading of the totals.

The Marin County Board of Supervisors will award the bid at 1:30 p.m., August 15th, 1967, or as soon thereafter as the matter may be heard.

Bids are required for the entire work described herein, and neither partial bids nor contingent bids will be considered.

The Board of Supervisors of the County of Marin reserves the right to reject any or all bids.

TIME LIMIT

The contractor shall commence work on or before the tenth (10th) day following the date of written notification of approval of the contract by the Director of Public Works and shall complete all work on the project within Forty (40) working days counting from and including the said tenth (10th) day.

The attention of bidders is directed to the provisions of the specifications regarding legal relations and responsibility.

Attention is directed to the correlation of the specifications with the Standard Specifications of the State of California, Department of Public Works, Division of Highways, dated July, 1964, as to materials, methods and workmanship.

The contractor whose bid is accepted shall furnish the following bonds to the County (at no expense to the County), executed by a responsible surety acceptable to the County in the prescribed form:

a) Faithful Performance Bond
b) Labor and Materials Bond

The Faithful Performance Bond shall be in an amount equal to one-hundred per cent (100%) of the total amount bid by the contractor in his proposal.

The Labor and Materials Bond shall be in an amount equal to fifty per cent (50%) of the total amount bid by the contractor in his proposal.

EMPLOYEES AND NONDISCRIMINATION

Contractor shall not discriminate against any employee or applicant for employment because of race, religion, color or national origin. This shall include employment, demotion or transfer, recruitment or recruitment advertisement, layoff or termination, rates of pay or other compensation, and selection for training and apprenticeship. Contractor shall post, in conspicuous places during period of contract and available to applicants for employment, notices setting forth the provisions of this clause. Contractor shall insert the foregoing provision in all subcontracts hereunder, except subcontracts for standard commercial supplies or raw materials. The hiring of all labor for work shall be in accordance with applicable directives of the Fair Employment Practices Commission of the State of California. The contractor shall forfeit, as a penalty, in addition to any other penalty provided by law, to County, the sum of $25.00 for each calendar day, or portion thereof, during which the contractor knowingly allows any conditions of discrimination to exist in connection with the work, provided, however, that such penalty shall not be imposed without a full investigation and determination by the Fair Employment Practices Commission.

Contractor shall cooperate fully with Marin County and affected Unions to promote and insure the maximum employment of Negroes and Spanish-speaking minorities, with particular emphasis on residents of Marin County, in all phases and at all levels of the work. Contractor shall encourage maximum utilization of apprenticeship and other on-the-job training programs, to achieve this goal.

NOTICE INVITING SEALED PROPOSALS OR BIDS—SANITARY DISTRICT NO. 2 OF MARIN COUNTY — SEWAGE PUMPING UNIT FOR PARADISE PUMPING STATION

NOTICE IS HEREBY GIVEN that Sanitary District No. 2 of Marin County will receive up to, but not later than, 2:00 o'clock P.M. of the 30th day of August, 1967, sealed bids for the award of a contract for the furnishing and delivery of a sewage pumping unit in strict accordance with the revised specifications therefor entitled "Furnishing and Delivering Motor-Driven Sewage Pumping Unit for Paradise Pumping Station", dated July, 1967, prepared by Brown & Caldwell, Consulting Engineers, and on file in the office of the Secretary of said District.

Said sealed proposals or bids shall be delivered to the Secretary of the Sanitary Board of said Sanitary District, 300 Tamalpais Drive, Corte Madera, California. Bids will be publicly opened, examined and declared on said day and hour by the Secretary who shall report to the Sanitary Board her findings, which findings shall be considered by said Sanitary Board at its regular meeting to be held at said place on September 5, 1967, at 7:30 o'clock P.M.

Each bid shall be in accordance with said revised specifications and other contract documents now on file in the office of the District Secretary located at 300 Tamalpais Drive, Corte Madera, California.

Said proposals or bids must be enclosed in a sealed envelope addressed "Sanitary District No. 2 of Marin County, 300 Tamalpais Drive, Corte Madera, California", and endorsed "Proposal for Motor-Driven Sewage Pumping Unit for Paradise Drive Pumping Station."

All proposals or bids shall be accompanied by a certified or cashier's check payable to the order of the District amounting to ten percent (10%) of the bid, or by a bond in said amount and payable to said District, signed by the bidder and a corporate admitted surety or two individual sureties who shall justify before any officer competent to administer an oath, in double said amount over and above all statutory exemptions. Said check shall be forfeited or said bond shall become payable to said District in case the bidder depositing the same does not, within fifteen days after written notice that the contract has been awarded to him, enter into a contract with the District, the faithful performance of which shall be secured by an undertaking in the amount of one hundred per cent (100%) of the amount so bid, with sureties satisfactory to the said Sanitary Board.

The Board reserves the privilege of rejecting any and all bids or to waive any irregularities or informalities in any bid or in the bidding.

No bidder may withdraw his bid for a period of thirty (30) days after the date set for the bid opening.

Revised specifications may be examined at the office of the District, 300 Tamalpais Drive, Corte Madera, California; and at the office of Brown & Caldwell, 66 Mint Street, San Francisco, California.

DATED: July 5, 1967.

AN ORDINANCE OF THE BOARD OF SUPERVISORS OF THE COUNTY OF MARIN ADDING SECTIONS 2.52.112 and 2.52.114 TO THE MARIN COUNTY CODE PERTAINING TO CONTRACTUAL AND OTHER SERVICES RENDERED BY COUNTY EMPLOYEES

THE BOARD OF SUPERVISORS OF THE COUNTY OF MARIN DOES HEREBY ORDAIN AS FOLLOWS:

SECTION I. Section 2.52.112 is hereby added to the Marin County Code as follows:

2.52.112. Contractual Services — County Employees.

No individual while employed by the county, either parttime or fulltime, shall be compensated for contractual services rendered to the county outside his regular employment without the prior written authorization of the Board of Supervisors on the recommendation of the County Administrator. This section shall not apply to the following:

(a) Medical treatment of qualified recipients pursuant to the "Medi-Cal Program."

(b) Medical treatment of qualified recipients pursuant to the "Medicare Program."

(c) The rendition of professional services to, or expert testimony before, the Superior Court, when ordered by said Court.

SECTION II. Section 2.52.114 is hereby added to the Marin County Code as follows:

2.52.114. Services to Other Departments.

No individual, while employed fulltime by any department of the county, shall receive additional compensation for services rendered to any other county department without the prior written authorization of the Board of Supervisors on the recommendation of the county administrator.

SECTION III. Effective date. This ordinance shall be and is hereby declared to be in full force and effect as of thirty days from and after the date of its passage and shall be published once before the expiration of fifteen (15) days after its passage, with the names of the supervisors voting for and against the same in the INDEPENDENT-JOURNAL a newspaper of general circulation, published in the County of Marin.

The foregoing ordinance was passed and adopted on the 25th day of July, 1967, by the following vote:

HOW TO KEEP WELL

By DR. THEODORE R. VAN DELLEN

Liver Problems Usually Occur When Organ Already Affected

VAN DELLEN

A 45-year-old executive was told that he was drinking too much and was in danger of developing cirrhosis of the liver. But he was convinced that business could not be conducted without cocktails.

The physician's prediction came true, for at 55 the man's liver was hardened beyond repair.

He did not realize that the organ has a tremendous reserve and that symptoms seldom appear until eigt-ninths of the structure is affected.

MOST DISEASES that plague the elderly begin in midlife and, unless recognized and treated, may reach a disabling stage long before nature intended. Through a well orgainzed health program, encompassing mind as well as body, many of these illnesses can be retarded or controlled.

This is best accomplished through the annual physical examination. Little things that begin in the forties and simmer through the fifties reach a boil in the sixties. Those who want to enjoy their retirement must plan for it.

The annual checkup will detect early diabetes, high blood pressure, arthritis, gout, gallbladder disease, and hardening of the arteries. Early control of diabetes staves off the later manifestations such as poor vision and disturbed circulation to the legs.

MAINTAINING a normal weight holds maladies such as hypertension, angina pectoris, diabetes, and arthritis of the weight bearing joints in abeyance. Too many persons spend time fighting age rather than learning to enrich it. Longevity is a product of our civilization, but in order to enjoy its advantages, we must accept its disadvantages.

(Dr. Van Dellen will answer questions on medical topics if stamped, self-addressed envelope accompanies request to the I-J.)

PAIN AFTER DRINKING

W. B. wrties: Can a person develop severe pain in the shoulder and arms from drinking too much alcohol? I have a friend to whom this happens every time he goes on a spree.

REPLY

This phenomenon is difficult to explain because alcoholic neuritis usually is associated with chronic alcoholism. On the other hand, his discomfort begins after drinking so there must be a relationship. Perhaps he has arthritis of the neck and gets a bit too gay after drinking. Does he have heart trouble?

CAN'T SHED A TEAR

E. P. writes: Is it possible for a woman to lose her ability to cry? I used to weep a lot but nowadays cannot squeeze out one tear.

REPLY

Yes. Life may have taught you to meet adversities in a more mature fashion. On the other hand, your crying mechanism may not have been put to the test recently by a trying situation or a catastrophe.

CELL SHORTAGE

W. B. T. writes: What kind of a disease is leukopenia?

REPLY

Leukopenia is not a disease; it means a reduction in the number of white blood cells (fewer than 5,000). This finding exists in a variety of diseases, including viral infections, influenza, metal poisoning, overexposure to X-ray, and atomic radiation.

SKIN INFECTION

B. J. Z. writes: It there such a thing as strep infection of the skin? I know that most skin infections are due to staphylococci.

REPLY

Yes. Erysipelas is a shining example of strep infection of the skin.

SUBWAY IMPROVEMENTS

A reader writes: Your article on noise prompts me to ask you the following question. Would you be happier if subways were soundproofed rather than air conditioned?

REPLY

Soundproofing would be wonderful. Subways are deep in the ground where it is cool. They need adequate ventilation but I doubt if the air is cooled via an air conditioning unit.

DETERMINING TWINS

Mrs. H. G. F. writes: How soon can a twin conception be determined by X-ray?

REPLY

Usually after the fourth month when the bony tissue becomes dense enough to show under X-ray. In multiple pregnancy, X-rays occasionally miss one baby unless they are taken from several angles.

SILICOSIS

I. M. K. writes: Is there any way to dissolve lung dust in silicosis?

REPLY

No, because the particles are embedded in the walls and surrounding tissues of the respiratory passageways. The chemical continues to irritate the membranes and leads to scar formation. Further involvement is prevented by avoiding additional exposure.

HOUSEBROKEN

Mrs. M. writes: At what age ought a child be trained?

REPLY

Each child sets his own pace in this respect but in general, bowel training is completed between the 18th and 36th months. Day bladder control usually is achieved during the second year and night dryness a year later. Send a stamped, self-addressed envelope for leaflet on bowel and bladder control.

LULLABIED

L. B. writes: I find that keeping the radio alongside my bed, tuned in to soft music, helps me to get to sleep. Is this method of quieting the nerves harmful?

REPLY

No. It is better than sleeping pills, whisky, or Bulgarian anesthesia.

Bridge Leaders

MONTREAL, Que. (AP) — Life masters Harold Guiver of Long Beach and Mike Lawrence of Berkeley, with a score of 432½, hold a nine point lead as the National Bridge Play Tournament's second of six sessions began today.

Carriage Trade Cut At Pubs

ODIHAM, England (UPI) — Police yesterday served fair warning on members of the Odiham Youth Club who planned a baby carriage race taking in mid-race refreshment at eight "pubs" along the way.

The youths, said the minions of the law, can be legally prosecuted for "being drunk in charge of a carriage."

The club subsequently agreed to reduce the number of refreshment stops during the race.

Registration

Terra Linda High School's registration for new students in the fall semester will be Aug. 14-29, the school announced. New students should also arrange appointments with the school's guidance department.

KQED (9), 7 p.m.—A special on the "Life and Times of Bertrand Russell" will endeavor to interpret the 93-year-old patriarch of contemporary philosophy and social thinking, reflecting on his life and his era.

KTVU (2), 7 p.m.—"The Uremiere Movie" offers The" Naked and the Dead" starring Aldo Ray, Cliff Robertson and Joey Bishop. It's World War II saga set in the Pacific, and from the novel by Norman Mailer.

KRON (4), KCRA (3), 8 p.m.—"Krushchev in Exile," a news color repeat, will present a study of the former Soviet premier and his life in retirement.

KPIX (5), KXTV (10), 8:30 p.m.—Wally Cox will star on "Vacation Playhouse" in "Alfred of the Amazon," a bungling jungle adventure-comedy.

School Budget Hearing Is Set

The Ross School District Board will hold a public hearing on its proposed 1967-8 budget of $406,123 at 8 a.m. tomorrow at Ross School.

The budget is higher than last year's by $25,920 but the property tax rate will drop three cents to $3.055 per $100, according to Supt. Robert D. Gowan.

The drop will result from last year's fund carryover of $52,647 and from an increase in the district's assessed valuation.

Sideburn Issue

WOLVERHAMPTON, England (UPI)—David Griffiths had good reason to be miffed when the management of the "Top O' The World" ballroom refused to let him in to attend his own engagement party unless he allowed them to trim his "inappropriately long" sideburns.

Service Goes Rocking Onward

WEMBLEY, England (UPI)—Worshipers filing toward the communion rail at St. Joseph's Roman Catholic Church yesterday morning froze as the strains of "A Whiter Shade of Pale," currently tops on Britain's pop hit parade, floated down from the organ loft.

It went on for five minutes as they knelt at the altar.

Organist Tony Pelegrini, 27, later produced this explanation: "The music is faintly religious and resembles Bach. One of the priests said it might be suitable, so we gave it a try."

San Geronimo Valley Poverty Meeting Set

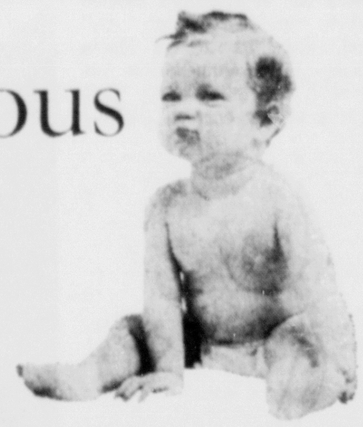

The first meeting of the citizen's executive committee to search for poverty in the San Geronimo Valley will be tomorrow at 8 p.m. at the Valley Community Church Lounge.

The citizen's group will meet with representatives of the Marin County Economic Opportunity Council, to appoint subcommittee leaders to study ambulance service, transportation, co-op nursery possibilities, health and sanitation problems and employment opportunities, according to Louise Lacey, EOC community worker.

The domestic cinnamon tree is allowed to grow to a height of not over eight to 10 feet. It needs sandy soil and lots of water.

Her Cartoons Really Get With It!

Far-Traveled Ex-Swinger Lands In Marin

By BRUCE COLEMAN

If you wanted to find an ex-swinger from London who discovered how to cartoon in Australia, where would you look? Corte Madera, of course.

Cartoonist Janet Quin-Harkin left London two years ago in search of the sun. She found it in Australia along with a job in radio broadcasting.

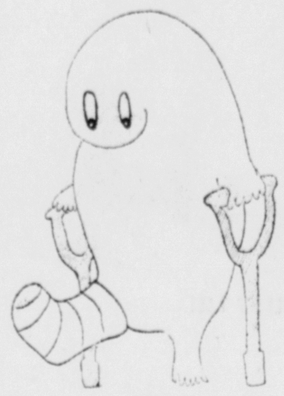

While doodling one day, she dreamed up a loop-faced figure she calls a skit. She sold the idea to the national newspaper, "The Australian," where it ran daily for six months and, according to Mrs. Quin-Harkin, "created quite a response."

The round-faced figure acts out a one or two-word caption which ends in "-it" or "-et." And, since moving to Marin County, Mrs. Quin-Harkin has created a variation of the "-it" ending in her cartoon showing

AUSSIES LIKED THEM—Cartoonist Janet Quin-Harkin of Corte Madera holds samples of her cartoons, called skits, which she created while living in Australia. "I was just doodling one day and dreamed them up," she said.

two flower children, captioned, "Sausal-it-o."

Commenting on the cartoon world, Mrs. Quin-Harkin, 25, says she realizes the market in the United States is "so stiff because there are so many good cartoonists.

"The big magazines and newspapers pay so much that it is a very desirable market. So, really, I don't think I can compete in a big way at all." However, she hopes to find someone interested in publishing her one-frame figures.

She is also interested in free lance writing and has lined up some work for children's books, she declared.

In London, Mrs. Quin-Harkin worked as drama department studio manager for British Broadcasting Corp. and, on quitting that position, wrote a play and sold it to BBC.

BASK-IT

"When I was leading a swinging life in London, I used to manage a rock group, the Forum PK," said the cartoonist. "I slso wrote some popular songs during that time for a London group called, The Image and I sang in a folk group, stuff I wrote myself."

Asked what she meant by her "swinging London," Mrs. Quin-Harkin commented: "It is the young people in London the city suddenly became that have all the money and are spending all the money so geared to them overnight.

SUM-IT

"All the clubs which were jazz clubs and night clubs suddenly became teen-age clubs. Folk music became a big thing," said the cartoonist.

"Every teen-ager is either a mod or a rocker," she continued. "The mods pay attention to their clothes, the rockers are almost equivalent to Hell's Angels here."

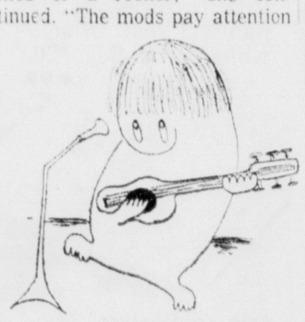

SAUSAL-IT-O

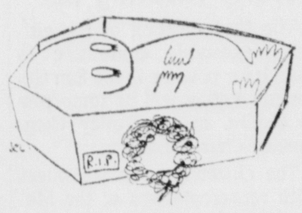

Queried as to how come young people have money to "swing" with, Mrs. Quin-Harkin related that "London it the capital. Every young person's dream in England is to go to London. There they share a flat. The kids, who work, unlike their parents who have mortgages to pay are spending their money."

Mrs. Quin-Harkin met her husband, John, also from England, in Australia. Quin-Harkin works for an airline company in San Francisco. They live at 315 Redwood Avenue.

Asked how she likes the California sun, Mrs. Quin-Harkin answered, "It's fabulous. I adore sunshine." In skit language, "I adore-it."

Ship Collision Being Checked

Ship company officials today were investigating the collision of two ships which rammed in the fog about a mile outside the Golden Gate Bridge.

The Philippine motor vessel President Quirino, outbound for Hong Kong, and the Japanese freighter Tsuneshima Maru, headed for San Francisco from Japan, received gashes in their hulls Saturday night but made it to port under their own power.

"It's strictly a matter of litigation between the agents and their countries," a Coast Guard spokesman said. "We have no interest at this point."

Casals Conducts

MARLBORO, Vt. (AP) — Vice President Hubert H. Humphrey and his wife were among more than 1,000 persons yesterday attending a concert at which the orchestra was conducted by world-renowned cellist Pablo Casals, 91.

Agricultural Dean Will Be Teaching

BERKELEY (AP) — Dean Maurice L. Peterson of the Division of Agricultural Sciences at the University of California has announced he is resigning his post and will return to teaching and research.

A specialist in plant physiology, Dean Peterson has held the post since 1963. He will serve as professor of agronomy at the Davis campus.

Tipplers Celebrate Royal Wedding

VADUZ, Liechtenstein (AP) — "We haven't had a ball like this in 600 years," said one red-eyed policeman early today as he watched Liechtensteiners dance on tables to celebrate the wedding of their crown prince.

The 22-year-old heir to the Liechtenstein throne, Crown Prince Hans Adams, and German Countess Marie Kinsky, 27, were married yesterday in an elaborate Roman Catholic nuptial Mass in a simple stone church.

As the newlyweds and 300 guests celebrated in magnificent Vaduz Castle with champagne and roast duck, the 3,995 citizens of the world's tiniest monarchy and about 25,000 tourists got into a festive mood on 87,000 pints of beer, 52,000 pints of wine, 20,000 chickens and 40,000 sausages.

Liechtenstein's 18-man police force, bolstered by a contingent from neighboring Austria and some deputized firemen, was soon completely outmatched by the revelers.

The police gave up putting drunks in jail because the country's only lockup holds just 20 prisoners. The revelers caroused and cavorted unhampered.

At dawn one man fell out of a hastily departing tourist bus screaming, "It's too early to go home!" He staggered toward a beer tent.

Countess Marie, who works as a graphic designer, comes from a family of German aristocrats who lost their fortune during World War II. Her new father-in-law, Prince Franz Joseph, Liechtenstein's 60-year-old ruler, is one of the richest men in Europe. The prince's art collection alone is estimated to be worth more than $100 million.

De Gaulle To Blame Hosts For Uproar?

PARIS (UPI)—French President Charles de Gaulle today called a special cabinet meeting reportedly to explain why the "Canadian Affair" was actually the fault of Canada.

Informed sources said the 76-year-old French president would lay the blame for last week's diplomatic sniping on Canada during a cabinet meeting scheduled for this afternoon.

De Gaulle touched off the furor last week when he shouted "Long live Free Quebec," to a crowd in Montreal while on a state visit to Canada. The slogan is the rally cry of French-Canadian separatists who want Quebec to break away from Canada.

Canadian Prime Minister Lester B. Pearson sternly reprimanded De Gaulle and said "Canadians do not need liberating." He reminded De Gaulle that Canadians had died in the liberation of France.

De Gaulle abruptly cut his visit short without calling on Pearson as scheduled in Ottawa.

Last Friday informed sources said De Gaulle said that Canada "knew something would happen" if the French president visited Quebec but Ottawa "persisted in inviting the chief of state."

The sources said De Gaulle would take the same tack at the cabinet meeting in an attempt to absolve himself from any diplomatic error.

Russian, U.S. Peace Aims Differ, Nixon Tells Club

GUERNEVILLE (UPI)—Russia and the United States both sincerely desire world peace at this time but with completely different objectives, former Vice President Richard M. Nixon told 1,500 professional men and corporation executives at Bohemian Grove.

The annual two-week encampment of the Bohemian Club of San Francisco terminated yesterday.

Homeward-bound members and guests told of the Nixon speech, although reporters were not admitted to the Grove itself.

"The United States seeks peace as an end in itself," the former vice president was quoted as saying. "While with the USRR, the need for peace is merely a median step in her total unaltered objective of spreading communism across the world."

Nixon said he favored trade with the Iron Curtain countries and with Russia itself "but always with political as well as economic objectives." The ex-vice president said the basic political condition on extension of trades should be a stipulation that no goods would be sold any nation furnishing war material or supplies to enemies of the United States, specifically including North Vietnam.

Foreign aid should, like trade expansion, be used to reward friends of the United States and be withheld from enemies of this country.

Marin's Share Of Road User Taxes

SACRAMENTO (CNS) — Marin County's share of highway user taxes distributed during June was $85,679, State Controller Houston I. Flournoy reported today.

Total distribution for the month was $45,396,244, of which $23,955,495 went to the State Highway Fund for expenditure on state highways; $9,571,561 directly to the counties; $6,125,799 to the state highway fund for use on the select system of county roads and city streets, and $5,743,389 to the state highway fund for cities.

U.S. Swimmers 'Fabulous'

By MURRAY ROSE

WINNIPEG (AP) — Some of the world record-breaking swimmers on the fabulous United States' swimming and diving team say they haven't "peaked" yet although they're all but setting fire to the Pan American pool here with their spectacular displays.

So far they and Canada's Elaine Tanner have combined to crack 11 world records. And there's a good possibility that the world marks in the five swimming events today may come tumbling down.

Both Mark Spitz, the 17-year-old sensation from Santa Clara, Calif., and his 21-year-old teammate, Don Schollander of Saratoga, Calif., say they're aiming to reach their peak for the Men's National Amateur Athletic Union Championships at Chicago, Aug. 11-12-13. The Women's Championships will be in Philadelphia a week later.

"The competition at the Nationals will be terrific," said Spitz, who already has set one world record here and may get a part in two more today. "I want to be at my best then because there's a lot of kids coming up."

At stake in the Nationals, in addition to titles, will be trips to Mexico for the Little Olympics, a European tour, and berth on the U.S. team for the World University Games in Tokyo.

Four listed world marks were smashed yesterday—one by Miss Tanner, Canada's "Mighty Mouse"—as the Yanks won five of the six swimming and diving events for a total of 19 victories in 23 events.

In track and field, the U.S.A. athletes picked up 6 of the 7 golds for 10 of the 11 titles in two days.

There were other golds harvested by the United States in weight-lifting—by middleweight Russell Knipp of Pittsburgh and light heavyweight Joe Puleo of Detroit—and in skeet shooting by Allen Morrison of Quantico, Va., with a score of 97-98—195.

Over-all, the United States bagged 14 golds, 7 silvers and 4 bronzes yesterday for a total of 127 medals—66 gold, 36 silver and 25 bronze. Canada is second with 47 medals 5-19-23, Cuba third, 21 3-6-12 and Argentina fourth, 15 4-6-5.

The swimmers and divers will hog the spotlight again today as the track and fielders take a day off.

In the five swim events, the world marks are liable to fall to Spitz in the 100-meter butterfly; to 15-year-old Catie Ball of Jacksonville, Fla., in the 100-meter breaststroke; to Miss Tanner, Claudia Kolb of Santa Clara or Lee Davis of Saratoga, Calif., in the 200-meter butterfly; to Charlie Hickcox of Phoenix, Ariz., in the 200-meter backstroke, and the Schollander-Spitz sparked 800-meter

Buc Defense: Wow!

The Pittsburgh Pirates, with a reputation as one of baseball's best hitting teams, discovered a new way to win yesterday—a dazzling defense that choked off five San Francisco Giants rallies.

The Pirates and Giants, who met in the second game of their series this afternoon, treated the 32,209 spectators at yesterday's spectacle to some of the year's best baseball at Candlestick park, but the home team came out on the short end of a 4-3 score.

It wasn't that the Giants couldn't hit the ball. They pounded 10 hits. But four Pirates' double-plays in the first six innings and a fine catch by Roberto Clemente in the seventh kept San Francisco at bay until a three-run rally in the ninth fell one run short.

"I had fantastic support out there," admitted veteran right-hander Vern Law, who won his first game of the season after six defeats. The former Cy Young Award winner needed relief help from Juan Pizarro and Elroy Face in the ninth to nail the win.

Loser Ray Sadecki (3-3) was embroiled in a shutout duel with Law until the sixth, when Gene Alley singled and Clemente clouted his 15th homer after fouling a ball over the fence.

Maury Wills, hardly a power hitter, fouled off a bunt attempt and ran the count to 3-2 in the eighth before cracking his third homer of the season to chase Sadecki.

A walk to Alley, a ground out and Donn Clendenon's single off reliever Lindy McDaniel followed Wills' wallop and gave the Bucs their winning margin.

One-out singles by Willie Mays and Willie McCovey and Jim Hart's double made it 4-1 and knocked out Law in the ninth. Pizarro struck out pinch hitter Dick Dietz, but Bob Etheridge slapped a two-run single off Face. The Bucs' relief ace then retired pinchhitter Jack Hiatt to end the game.

Right Fielder Jesus Alou made two great defensive plays for the Giants. With one out and runners on second and third in

Novato Boys Sweep Junior Baseball Titles

'Stars' Norcal Champs

On to El Segundo!

The Novato All-Stars, Marin County's amazing Babe Ruth team, left Novato today for El Segundo and a spot in the Pacific Southwest Regional Tournament there.

Tehy left Auburn as champions yesterday after Superboy Russ Dillion had handcuffed Clovis and thrown away the key Saturday in a 5-1 victory that gave the All-Stars the Northern California title, and spot in the double-elimination tourney at El Segundo.

The All-Stars meet the host team tomorrow night.

Dillon was, as usual, overwhelming.

He struck ou his quota of 15 batters in seven innings, allowed only two hits and was in perfect control until the seventh inning when he hit one batter and walked three more to bring in the the only Clovis run.

WHIFFS SIDE

He settled down then and struck out the side.

Tom Zechlin led Novato's seven-hit attack with a pair of singles.

The All-Stars, after scoring a run in the fourth, broke it up in the sixth inning with a four-run uprising on a walk to Jack Burnam, consecutive singles by Bob Helving and Garland Olsen, a run-scoring walk to Randy Foster, an error and a run-producing single by Dee Frederick.

To date, Dillon has pitching 36 and two thirds innings in tourney play. He has allowed seven hits, and three runs, walked 23 batters and struck out 72, for an average of two an inning.

Sausalito Loses Li'l Loop Finals

The Novato Nation League All-Stars and Sausalito All-Stars battled even-up Saturday for the Marin County Little League Championship at Sausalito until a throwing error in the bottom of the sixth and final inning gave Novato an unearned run and the victory 1-0.

Winning pitcher Hoza Wright doubled to right field to lead off the sixth and bring up third baseman Jim Askim, the batting hero of Novato's last-ditch victory over Marinwood in the semi-finals Friday. Askim hit a ground ball to shortstop, where Russ Knudsen picked it up and threw quickly to first. The throw flew wide of the bag and into the crowd as Wright sped home with the winning run.

Wright's double was a line shot that right fielder Alvin Hall charged in an effort to nail him at first. The ball took a high hop over Hall's head and went to the fince. Askim came up with the crowd buzzing in anticipation of a game-ending blow.

He had tied the Marinwood game the night before with a homer in the bottom of the sixth and won it with a bases-loaded single in the seventh. Askim had also slugged a grand slam in Novato's opening game win over the Mill Valley National League, when Wright struck out 15. This time he hit a bleeder but it did the job just as well.

JUST WRIGHT

Wright had two of Novato's four hits, and he pitched even better. The only hit he allowed was a high fly double that popped out of right fielder Jody Farrell's glove with one out in the second. Mike Duvall hit the ball, which Farrell dropped after a long run, and moved to third on a passed ball. Wright struck out the next two batters to end the threat.

Wright fanned nine and got all the defensive help he needed

Novato Nine Wins Legion Loop Finale

Novato's championship American Legion team wrapped up its league season with a pair of games last weekend, losing at Napa Saturday and winning at Novato against Vacaville, 8-7, yesterday.

Despite a 15-hit barrage that included 10 singles, Novato couldn't pull it out at Napa, losing an 8-5 decision.

Dan Granucci with three hits and Barry Berringer, Frank Perachiotti, John Sjoblom, Mario Mederas and Steve McNally with two hits each did most of the bombing.

It was 5-0, Vacaville in the first, yesterday, leaving Novato with a long way to go. The Novatans didn't make it until the ninth, when they tied it at 7-7. They won it in the 10 inning on a double by Berringer, a single by Dan Granucci and another single by Mel Sjoblom.

Berringer had three hits and John Sjoblom, Perachiotti and Mike Timmel had two apiece.

Player To Coach Philly Spartans

PHILADELPHIA (AP) — Ruban Navarro, ace defensive halfback of the Philadelphia Spartans, was named today as player-coach of the National Professional Soccer League team.

13-Year-Olds Win District Championship

Novato's 13-year-old Babe Ruth team, like their older counterparts, are sweeping along.

They won the District 7 title at Vallejo last Friday with a 5-4 verdict over Vacaville to move into the State Tournament at Salinas beginning Friday.

Rick Jensen and Bob Dinkel combined on a seven-inning one-hitter, coming up with a total of nine strikeouts.

Marty Hansen clubbed a pair of hits including a triple and Steve Burden also added two hits to the 10-hit Novato attack.

The Novatans scored the winning run on a double steal.

YACHTING ROUNDUP

Gandy Again Captures Lipton Sailing Trophy

Apparently it does not matter who pilots her, Gandy wins the Hurricane Class Lipton Challenge Trophy with any good sailor at the tiller.

After Hal McCormack won with her for three straight years for Belvedere's San Francisco Yacht Clyb, Ed Callan's 30-foot sloop won yesterday for the St. Francis Y.C. with Bill Trask at the helm.

Trask and Gandy had a rousing duel with Bill Gorman and Haven of the Encinal Y.C. They exchanged the lead three times before Gandy Pulled ahead for good and won by 20 seconds.

Trask had won the race from 1952-56 but had not won since.

McCormack was sailing Dwyn Yen yesterday for the San Francisco Y. C. and was out of the racea few minutes after it started. He moved illegally into the path of the Oakland Y. C.'s Roger Saylor aboard Mistral and had to retire.

MIKE SHEA of Belvedere won a weather-blasted running of the San Francisco Y. C.'s annual Midnight Noonlight Maritime Marathon Saturday night and yesterday morning aboard his 26-foot Golden Gate sloop Lively Lady.

Hampered by heavy fog and a strong wind, 33 of the 74 starters did not finish the race, which Shea won at 3:10 a.m. yesterday after about nine hours in the water.

ROD PARKS won the Cruising Clubs Divisions eighth and final deep-water race yestarday from Half Moon Bay to San Francisco aboard his 36-fooot sloop L'Allegro, but Aldo Alessio and his Cal-40 sloop Kumu, third yesterday, won the overall title and the Danforth Ocean Racing Trophy.

DON HAWKEN
San Rafael champ

Hawken Grabs San Rafael Amateur Golf Championship

San Rafael High School graduate Don Hawken has a sparkling new trophy for his already-crowded showcase following his victory Saturday in the second annual San Rafael City Amateur Golf Championship at San Geronimo National course.

The 17-year-old star, who will attend Brigham Young University this fall on a golf scholarship, fired a two-over-par 74 to lead the field of 78 players for the low gross championship and the beautiful Independent-Journal trophy that goes with it.

He had a one-stroke edge over four tied for runner-up honor, including defending champion Rob Schultz, Bob Liebe, Doug Francisco and Jim Schroeder.

Liebe captured the low net championship with his 75-7—68, followed by former San Rafael High star Francisco at 75-4—71 and ex-Peacock Gap Country Club manager Terry Van Buskirk with 77-5—72.

The Callaway division for those without established handicaps was won by Dick Jenkins with a 71 net, followed by R. Salsig with 72 and Bill Savale with 74.

The tournament was sponsored by the San Rafael Junior Chamber of Commerce.

Marin Net Stars Win

Bee Kilgore of Tiburon and Steve McDonald won singles and doubles crowns Saturday in the Modesto Racquet Club Junior Tennis Tourney.

Miss Kilgore beat Susan Mehmedbasich of El Cerrito 6-0, 6-1 for the girls' age 12 title and then teamed with Ann Lamott of Tiburon to win the 14 doubles over Kim and Ril Culver of Berkeley 6-3, 6-3.

McDonald downed Gary Fairman of Reno 6-2, 6-2 for the boys' 16 championship and then he and Fairman won the boys' 16 doubles by whipping Bob Andrews and Bob Sdanfaski of Los Altos by the same score.

McDonald and the two girls are members of the Belvedere Tennis Club.

freestyle quartet.

Yesterday, Miss Kolb, a 17-year-old Olympian, touched off the world record spree with a 2:26.1 clocking in the 200-meter individual medley.

Then Greg Charlton of Arcadia, Calif., blitzed the listed world mark of 4:11.1 with a time of 4:10.2 for the 400-meter freestyle. Spitz, however, has a pending world record of 4:08.8 awaiting ratification.

The girls closed out the spree with two world records in the 400-meter medley relay. Miss Tanner, as the leadoff swimmer for Canada, was clocked in 1:07.1 for the backstroke, eclipsing her fresh record of 1:07.3. The Yank quartet of Kendis Moore, 18, Phoenix, Miss Ball; Ellie Daniel, 16, Elkins Park, Pa., and Wendy Fordyce, 14, Miami Springs, Calif., knocked 13.9 seconds off the world mark set by the U.S. Olympic team at Tokyo in 1964, with a time of 4:30.0.

MINUTE BREAKER

In the other finals, 17-year-old Erika Bricker of Visalia, Calif., took the 100-meter freestyle in 1:00.9 after racking up a Pan-Am mark of :59.9 in a heat to become only the fourth woman to break the minute for the 100, and Brazil's 17-year-old Jose Fiolo added the 100-meter breaststroke gold to his 200-meter title with a time of 1:07.5.

Pan-American marks have been broken in every swimming event.

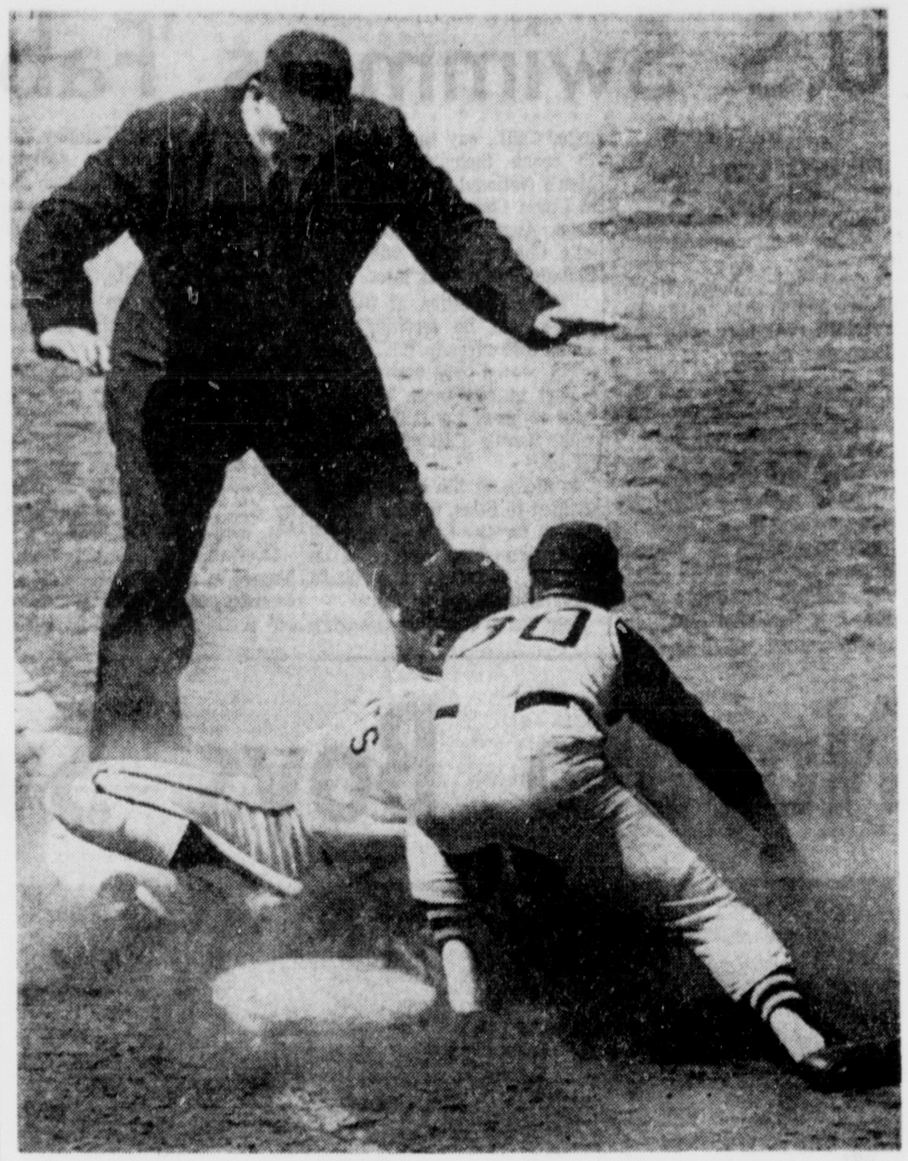

The United States made it 3-for-3 in diving when Olympic champion Lesley Bush of Princeton, N.J., won the women's 10-meter platform title with 108.20 points to 103.09 for Canada's Beverly Boys.

In track and field the winners were Lee Evans, San Jose State, by a shade over Vince Matthews, New York, in a world-record tying 400 meters in 44.9; Canada's Harry Jerome by an eyelash over Willie Turner, Yakima, Wash., in a :10.2 for 100 meters; Tom Laird, Pomona, Calif., in the disputed 20,000-meter walk, 1:33:05.2; Chris McCubins, Enid, Okla., 3,000-meter steeplechase, 8:38.2; Ed Caruthers, Santa Ana, Calif., high jump, 7-foot-2¼; Barbara Ferrell, Los Angeles, 100 meters, :11.5, and Mrs. Pat Winslow, San Mateo, Calif., modern pentathon, 4,860 points.

PAN-AM RECORDS

Pan-American records were set by Evans, McCubbins, Laird, Caruthers and Mrs. Winslow. Tommie Smith, Evans' teammate at San Jose State, has a world record of :44.5 pending for the 400.

In the weight-lifting, Knipp lifted a Pan-Am record total of 943 pounds, had a world record press of 345.9 pounds; Puleo lifted 992 pounds topping three Pan-Am marks.

Li'l League Title Won By Novato

from centerfielder Dan Metzger, who made three fine plays.

Metzger saved Wright some embarrassment in third inning when he made a shoetop catch of Leevester Hall's line drive with two out and a runner moving from first base.

In the fourth Wright hit Clarence Bell with a pitch and he went to second on a passed ball. When the catcher's throw went into center Bell tried for third, but Metzger's throw had him by 20 feet.

With one out in the sixth Knudsen ripped a long drive to right-center. Metzger raced to the fence and leaped to make the catch. Hall then hit a fly ball deep to right to end the inning.

FINE PLAY

Novato almost scored in the first inning but a fine defensive play by the Sausalito battery averted the run. Leadoff batter Rick Butler singled, Wright bunted safely and both moved up a base on a wild pitch by Alton Hardy, who was wild throughout the game.

Hardy threw another low one with Askim at the plate and the ball got by catcher Hollis Owens. Butler tried to score but Owens, who did a fine job most of the time digging pitches out of the dirt, quickly retrieved the ball and his toss to Hardy at the plate nabbed Butler.

In the third Hardy escaped another jam by fanning Wright and Askim with runners on second and third.

ON TO VALLEJO

The Novato National Leaguers now move to the sectional tourney at Vallejo, where they play Wilson Park of Vallejo Thursday at 6 p.m. Teams from Sacramento and Petaluma play Wednesday and the winners will meet Friday at 6 for the right to play next week in the Northern California Divisional Tournament in Sunnyvale.

At this point the winner of the Little League World Series in Williamsport, Pa., is seven straight victories from the championship.

The Novato American League All-Stars won the consolation game Saturday 10-0 over Marinwood as Dennis Stanley pitched a no-hitter and hit a home run. The Novato National League and Sausalito players sat together during the game in friendly conversation before going out to play their game.

Drysdale Rally Wins Title; Andretti Takes 150-Miler

By ASSOCIATED PRESS

HAVERFORD, Pa. — Cliff Drysdale of South Africa lost the first two sets yesterday to Clark Graebner and went down 0-40 in the ninth game of the third, but he roared back to avert the service break and eventually won the Pennsylvania Lawn Tennis Championship men's singles 3-6, 3-6, 11-9, 6-1, 7-5.

Graebner's wife, Mary, finished second in the women's singles to Mary Ann Eisel of St. Louis, losing 6-1, 6-3 Saturday. Grabener, from Beachwood, O., teamed with his Davis Cup doubles partner, Marty Riessen of Evanston, Ill., to win the men's doubles over Australians Owen Davidson and Bill Bowrey 6-2, 9-11, 7-5.

Braves Cop Three From Yakima Team

San Rafael Braves, title in pocket and well rested, swung from Western Baseball Conference action to a three-game non-league set against Yakima, Wash., at Albert Field Saturday and Sunday and gave the visitors a vision of things to come.

Yakima, which is slated to join the league next year, dropped all three games, although not without a fuss.

The Braves got superb pitching throughout, something of a blessing for their tired sluggers.

Saturday, Ben Trujillo hurled a six-hitter and struck out eight in his best perfromance of the year as the Braves won, 6-1, in a nine-inning game. Joe Panella had three hits.

DE ROSA WINS

Bob DeRosa came back with a seven-inning, four-hit, 3-0 shutout in the opener of yesterday's doubleheader as the Braves scored all their runs in the first inning ans at on the lead. Bill Connolly had two hits in that game.

In the nightcap, Ben Burch won a squeaker, 3-2 as he allowed six hits and struck out seven. The Braves had to make up a 2-0 deficit in that game, scoring a run in the sixth and two in the seventh inning to win. Jerry Bosch and Bruce McNevin had a pair of hits.

SPORTS SHORTS

— Phil Hill of Los Angeles and Mike Spence of Britain drove their seven-liter Chaparral to victory in the International 500 world championship yesterday, while the Italian Ferraris won the 1967 manufacturers championship by finishing second with a car driven by Chris Amon of New Zealand and Jackie Stewart of Scotland. A Porsche was third and a Ferrari took the title by one point.

LANGHORNE, Pa. — Mario Andretti of Nazareth, Pa., won the International Road and Track Series championship yesterday by taking the 150-mile race for Indianapolis-type cars at Langhorne Speedway. Gordon Johncock of Hastings, Mich., finished second after setting a world record in the time trials for one mile on a one-mile speedway. His time was 28.591 seconds.

NASHVILLE, Tenn. — Richard Pettl averaged 70.866 mph in his 1967 Plymouth to win the 10th annual Nashville 400 stock car race.

COPENHAGEN, Denamrk — American driver Douglas Revsou and Danish race track owner Jens Christian Legarth were killed yesterday in a race accident at a Jutland course. Revson's car collided with a car he was passing on the left after the driver of that vehicle signaled to another driver to pass him on the right. Revson careened into a group of officials. The cars were going 105 mph in a hard rain.

BASEBALL

CHICAGO — The league-leading White Sox have acquired another veteran slugger to help in their drive for the American League pennant. They traded Jim King, cash and a player to be announced later to Cleveland for outfielder Rocky Colavito. Saturday just as Ken Boyer, acquired last week by the Sox from the Mets, ripped a two-run homer to help beat Detroit 4-3.

ATLANTA — Relief pitcher Clay Carroll has been recalled by Atlanta from Richmond of the International League, where he was sent July 14 after a mediocre first half of the season. Carroll was 2-0 and gave up just two runs in 20 innings at Richmond. He will replace Tony Cloninger, placed on the disabled list for 21 days while he is recovering from an eye infection.

CINCINNATI — Former Cincinnati Red and St. Louis Brown pitcher Raymond C. Kolp, 67, died here yesterday.

HYDROPLANES

GUNTERSVILLE, Ala. — Speedboat pilot Lew Koehler of Miami, Fla., was killed yesterday when another boat smashed into his at the National Limited Hydroplane Championships on Guntersville Lake.

FOOTBALL

MANKATO, Minn. — The Minnesota Vikings yesterday acquired veteran defensive tackle Jim Colvin, 29, from Dallas for a high draft choice. The Vikings needed a defensive lineman to fill in for star end Carl Eller, who underwent surgery Friday for torn knee cartilage and will not play until after the season starts in mid-September.

LATROBE, Pa. — The St. Louis Cardinals traded their top 1966 draft choice, tackle Harold Lucas, to Pittsburgh for a high future draft choice. Lucas, former Michigan State star, signed for a $300,000 bonus last year but reported at 300 pounds and was cut from the Cardinal squad. This year he came in at 275 but lasted only 12 days.

GREEN BAY, Wisc. — The Packers traded former Texas Christian quarterback Kent Nix to Pittsburgh for a future draft choice. Nix, 23, was a member of the Packer taxi squad last year.

SOCCER

Graham Finally Makes Big Time

MINNEAPOLIS (AP) — Lou Graham, who had to delay a life-long ambition to be a pro tour golfer a few years ago because he had no money and no financial backers, has finally reached such heady affluence that he's going it on his own this fall.

Graham took the biggest step of his golfing life yesterday when he won the $20,000 first-place money in the Minnesota Golf Classic with a two-under-par 286. He fired a steady, even-par 72 on the final round to nip South Africa's Bob Verwey by one stroke.

It was Graham's first pro tournament victory, and his biggest payday ever. It ran his 1967 tour earnings to $39,937.

"I've waited a long time for this," said the 29-year-old Graham, hugging his wife and daughter as he accepted the first-place check in the $100,000 tourney. "I had to wait a couple of years to get on the tour, and now I'm going it alone this fall."

While other professionals cussed and discussed Hazeltine National golf course for its length and "unmature greens," Graham had nothing but praise for it.

BEAUTIFUL COURSE

"This is the most beautiful golf course I've ever laid eyes on," he said of the site of the 1970 U.S. Open.

Graham refused to panic yesterday in the face of a last-round charge by Verwey which nearly wiped out a three-stroke lead Graham had at several stages in the final round.

Verwey collected seven birdies on the last 18 holes, but bogeyed the first and 12th holes to lose his chances to tie or beat Graham. But his 67 lifted him from a tie for ninth after 54 holes to second.

Graham, meanwhile, birdied the second hole and bogeyed the 10th, then fired home eight straight pars down the stretch to hang on for victory.

He said the key hole was the 14th, where he hit into the trees, had to chip out, used a sand iron to get within 14 feet of the pin and dropped the putt.

START HITTING

"I decided I'd better start hitting the ball," Graham said. "I quit playing it safe there."

Verwey, brother-in-law of Gary Player, claimed $12,000 for his second-place finish.

Third was Julius Boros, who carded a 71 yesterday for a 289 total.

Tied for fourth at 290 were Doug Ford, Al Geiberger and Ken Still. In a four-way tie for seventh at 291 were Dudley Wysong, Dave Stockton, Harold Henning and Dave Jimenez.

Wysong, the 54-hole co-leader with Graham, ran into painful shoulder trouble yesterday and took a double bogey and three bogeys on the front nine to fall from contention.

Defending champion Bobby Nichols slumped to a 299 to finish far out of the running and PGA champion Don January stumbled home with a 295 to tie for 21st.

Arnold Palmer, Jack Nicklaus and Billy Casper passed up the Minnesota tourney.

the fifth inning, he grabbed Law's liner and fired a strike to nail Jose Pagan at the plate. In the seventh, Alou raced toward the screen to rob Manny Mota of extra bases with a one-handed catch.

In Saturday's action, Gaylord Perry went the distance to register a 6-1 victory over Philadelphia as catcher Tom Haller homered and scored three runs.

Blue Chips Do Well During Rising Market

NEW YORK (AP) — Blue chips did well and the stock market closed higher today. Trading was active.

The day started slowly, with only a thin gain in the Dow Jones industrials even as the over-all market moved well ahead.

The Dow industrials approached but did not match the high for the year. A substantial gain in the average was pared.

Volume for the first four hours was 7.67 million shares compared with 7.8 million Friday.

Gains of about 4 points by Boeing and United Aircraft were a tonic for the list.

General Motors advanced well over a point while Ford lost about a point.

Standard Oil (New Jersey), up 1, and General Electric, up more than 2, gave the market further blue chip support.

Schenley and Lorillard were down about 3 apiece as merger prospects dimmed.

Atlas Corp. paced the list on volume with a fractional gain.

Bendix sank about 4 points following its rise of 8⅛ Friday on merger rumors.

First Western Financial eased as it continued under selling pressure. The stock faces delisting from the New York Stock Exchange.

Prices advanced on the American Stock Exchange. Wilshire Oil paced the list on activity and made a fractional gain.

Ranch Foreilosure Sale Is Postponed

A foreclosure sale of the Fagundes Ranch at Highway 101 and Lucas Valley Road scheduled for Friday, July 28, on the courthouse steps, San Rafael, has been postponed until Monday, Aug. 7, at 1 p.m.

The sale was to have been held by First Charter Financial Corp., trustee under a trust deed for $1,886,000 executed by Jack H. Bennett and Dell M. Mallick, Sausalito developers, and Rachmil Goldenberg and Republic Development, Inc.

Motel Sale Considered

An offer to purchase Rancho Rafael at Ignacio for "a little less than $1 million" was reported today.

Max Key, owner of the motel on Highway 101, said the offer was made by Ray J. Cosgrove, San Francisco real estate broker and developer, who has been living at Rancho Rafael temporarily. Cosgrove's partner in the transaction is said to be Steve Allen Jr., son of the television star. Cosgrove, now on a fishing trip, was not available today for details.

Key said the offer as presented by Cosgrove was acceptable, but the transaction had not been completed.

Standard Plans New Oil Tankers

SAN FRANCISCO — Standerd Oil Company of California has announced plans to construct four tankers of 210,000 deadweight tons each for service in the company's international operations.

Two of the new vessels will be built by Kockums Shapyard in Malmo, Sweden, for delivery in 1969. The other two ships will be built by Mitsubishi Heavy Industries in Nagasaki, Japan, for delivery in 1970.

NEW OCEAN RESEARCH VEHICLE

When completed in the early 1970s, this unique vehicle, the Navy's deep submergence search vehicle, will add a major link to deep sea search and recovery operations. The vehicle will be capable of descending to depths of 20,000 feet. This drawing was produced by Westinghouse Electric Co., one of two contractors selected to develop prototype vehicles. The drawing illustrates how it might be used to search for lost spacecraft that have landed in the sea. (UPI Telephoto)

SUCCESSFUL INVESTING

Keep Funds At Home To Avoid Special Tax

By ROGER E. SPEAR

Q. "My husband and I face serious financial problems. He is not well and must retire soon. In the past we have bought stocks and have had considerable losses. Now we need solid securites if possible. We understand that National Financiera in Mexico offers nine per cent return. Is this a safe investment? We have asked two banks and three brokers who say they know nothing about this stock. Your advice will be appreciated." A. M.

A. I am very sorry that your husband is ill and that you have had stock market losses. It may be that you have done poorly because of reaching too far for high yield as could be the case with your Mexican issue. You can add my name to the list of those unfamiliar with the shares you mention. I would like to point out, however, that in buying stock in Mexico from a foreign holder you are liable to a 15 per cent interest equalization tax — amounting to almost two years' dividends. You may also become locked into a relatively unmarketable security. If you need income, I advise you to keep your money at home, accepting lower return and probably less risk. I suggest U. S. Pipe or Commercial Credit, both selling to yield 6.2 per cent.

Q. "My bank phoned recently to say my coupons on Olin Mathieson conv. 5½s of March 1982 had been returned due to the bonds being called. Does this mean I can no longer convert? If so, how do I go about receiving payment for the bond?" E. M.

A. The entire issue of your convertible debentures was called for payment at 103¾ last March 13. The right to convert expired at the close of business that day. Forward your bonds for payment to Bankers Trust Co., New York City. If you have convertibles, it would pay you to record them with your broker and request notification in the event of a call.

Rebuilding Economy Is Giant Task

By JOHN CUNNIFF

NEW YORK (AP) — Britain today is like an old colonel back from east of Suez who had it very nice for many years but who now finds he must knuckle down to work, no matter how dreadful the task nor how old the body.

The colonel is willing, but the task is formidable; the British economy must be rebuilt through hard work in order to be competitive in world markets. The weapons are spirit, pride, austerity and willingness to work.

But progress is slow, and several body blows have been delivered in recent weeks; things have been going wrong at the very time the nation had a right to expect some good news.

Unemployment in July rose to the highest in 27 years, a total of 496,000 jobless. Industrial production declined in May. And the trade gap, which all the austerity and work is meant to close, widened instead.

A 21-nation study, by the Organization for Economic Cooperation and Development, came up with the finding that Britain still had years more of hard work before real results would show.

These were not the only blows. Earlier, as the world knows, Britain was denied entrance to a democratic trade alliance called the Common Market. And then the Suez Canal was closed, and Britain was denied needed oil supplies via that trade route.
